Welcome to Thurgood Marshall Academy PCHS

Welcome to Thurgood Marshall Academy. This handbook has been created to help students and families learn about and understand the expectations of the Thurgood Marshall Academy community. Please read this handbook carefully.

An exciting year of learning and discovery awaits our students. Individuals who attend Thurgood Marshall Academy will be prepared to meet the challenges of a college education and are on a path toward becoming active participants in our democratic society.

This handbook has been adjusted to meet our COVID-19 pandemic-response needs and is an abbreviated version of the original handbook. TMA will revisit the handbook in the future to make adjustments as necessary to accommodate our in person or virtual needs. As DC's and the world's pandemic recovery continue to be unpredictable, the policies in this handbook are subject to change.

Thurgood Marshall Academy strives to create a community of young people who are academically able, confident, and empowered to engage in our democratic society. An important aspect of this process is for students to develop responsibility for their own education. The underlying principle is that Thurgood Marshall Academy is a place for learning and getting along together. This handbook sets out rules and guidelines for maximizing learning opportunities for our students in an environment of high quality education.

We are delighted to have you with us and hope this will be a memorable and successful academic year for everyone.

Thurgood Marshall Academy Driving Principles

These are the principles of our school culture and beliefs by which all members of Thurgood Marshall Academy Public Charter High School community are expected to act.

I. Community

- We believe that students belong to multiple communities—educational, familial, cultural, national, and global—each with its own benefits and responsibilities.
- We believe that a learning community in which all students and staff thrive requires genuine respect among all members.
- We believe that justice is a key component of a healthy community, and practicing justice in our school prepares us to pursue it elsewhere.
- We believe that Thurgood Marshall Academy should be an active, just, and respectful member of the Ward 8 community.

II. Diversity

- We believe that a rich education promotes the respect of multiple perspectives and experiences.
- We believe that in order to meet the needs of each community member and create opportunities for success, we must respect that individuals learn and demonstrate learning in different ways.

III. Democracy/Participation

- We believe that our school reflects democratic principles of fairness, due process, equality, and justice.
- We believe that when we are decision-makers in our educational and social experiences we become agents of change in our own communities.
- We believe that preparation for post-secondary education demands that we integrate elements of a liberal education—science, the creative arts, mathematics, technology, and the humanities—in order to possess the skills to understand and influence our world.
- We believe that with the privilege of being a citizen of this community comes the charge of service and responsibility.

IV. Excellence

- We believe that excellence requires passion, focus, and commitment.
- We believe that when we are confronted with high expectations, challenged with meaningful work, and provided with appropriate tools, the best is brought out of each of us.
- We believe that true learning occurs when we question, investigate, and evaluate ideas.
- We believe that genuine growth requires constant reflection.

Policies

Acceptable Computer Use Policy

The use of computers at Thurgood Marshall Academy offers opportunities for students to access the Internet and a subscription research database, as well as word processing, in order to enhance educational goals and objectives. Use of equipment in the computer lab, classrooms, and library is a privilege to the user and entails responsibility. The smooth operation of the networked and non-networked computers relies upon the proper conduct of users, who must adhere to guidelines for efficient, careful, ethical, and legal utilization of the resources. These guidelines are set forth in the *Acceptable Use Policy*, which outlines Thurgood Marshall Academy's expectations for and the responsibilities of the computer user. Students and families must complete an acceptable use form in order to be able to use school computers and forms are provided during registration. The *Acceptable Use Policy* is available for review in the Appendix.

Admissions Preference Policy (Student Lottery and Admissions Process)

Thurgood Marshall Academy in partnership with My School DC, works to make the application process simple with a single online application. TMA will only accept the My School DC application available at MySchoolDC.org.

The My School DC common lottery is a single, random lottery that determines placement for new students at all participating schools. Student-school matches are based on the number of available spaces at base on the following preference in the following order:

1. Sibling attending
2. Twin offered
3. Sibling offered
4. Children of staff

DC Public Charter School Board requires that multi-campus Local Education Agencies (LEA) describe also any preference system concerning transfers between campuses; this does not apply to Thurgood Marshall Academy as we are a single-campus LEA.

Advisory

The advisory program provides additional support and mentoring for students. At the beginning of each school year, small groups of students are assigned to faculty advisors. Advisory meetings include team building exercises, individual guidance, character education, and other enrichment activities.

Assembly Program Guidelines

- Students will leave their books in their Advisory.
- Students will enter the meeting room with their advisors in a quiet and orderly fashion.
- Students will sit in the seats assigned to their Advisory unless otherwise instructed by an adult.
- Students will sit as far down the row as possible, so that others may easily find a seat. Students will remain quiet throughout the entire program except when an audience response is requested by a speaker.
- Students will remain seated until directed by their advisor to stand and exit.
- Students who demonstrate an unwillingness or inability to participate in the assembly prior to the beginning of the program, will be removed from the assembly.
- TMA will observe all COVID guidelines and will make adjustments according to the current guideline at the time of the assembly.

Attendance at Thurgood Marshall Academy Events

Currently enrolled Thurgood Marshall Academy students are permitted to attend school-related events without the presence of a parent or guardian. Individuals under the age of 18 who are not currently enrolled students at Thurgood Marshall Academy are not permitted to attend any Thurgood Marshall Academy events unless accompanied by a parent or guardian. Students under the age of 18 may attend special events including but not limited to prom, graduation, and other as warranted by Administration without a parent/guardian if they have met the criteria established by the Administration for the specific event. Any current student who is serving an Out-of-School Suspension is not permitted to attend any Thurgood Marshall Academy event while serving the suspension. Unless otherwise noted in the final disciplinary action, any student who has been expelled from Thurgood Marshall Academy is prohibited from attending Thurgood Marshall Academy events on- or off-campus.

Backpacks and Book Bags

Backpacks, book bags, and bags of any kind **may not** be worn or carried throughout the school day. Students must store their backpacks and book bags in their lockers. Students may carry a small purse that is *no larger* than the size of a shoebox and cannot fit a textbook.

Bathroom & Changing Room Access

Pursuant to District of Columbia laws, non-cisgender individuals may claim access to bathroom and changing rooms based on gender identification. Individuals desiring accommodations may contact a grade-level dean, Head of School, or Executive Director to discuss available options.

Board of Trustees- Open Meetings

Thurgood Marshall Academy's Board of Trustees primarily serves as a governing board, with responsibilities focusing on executive and financial oversight. Our Board is comprised of parents and professionals in the legal and corporate communities who are committed to working together to fulfill the mission of the school. The Board thinks and acts strategically, and maintains appropriate and constructive relations with parents, students, staff, the community, and with each other in the interest of serving the needs of the students. Meetings are open to the public and held quarterly each year, with an annual meeting in May. Meeting dates and locations are posted on the school website. For more information about how to attend a meeting, please contact Faith Oviedo at foviedo@tmapchs.org.

Breakfast

Thurgood Marshall Academy serves breakfast between the hours of 8:30 am and 9:15 am. A la carte breakfast is available for students who arrive after 8:30 am. There is no cost associated with breakfast. Students will receive a grab and go breakfast and take it to their advisory to eat.

Building Hours

Building hours are to be determined, but may return to pre-pandemic hours of 8:45 am - 6 pm (inclusive of after-school activity hours) for students. Parents and guardians are encouraged to limit travel to the school as much as possible, although some business (such as picking up materials) must still occur in-person. Parents and guardians who need to conduct business on-site may do so 8 am - 5 pm school days, but a prior appointment with a contact at the school is strongly encouraged. All building occupants must observe DC-mandated steps, which may include (but not be limited to) wearing masks (non-medical face coverings), maintaining social distancing (six feet between people in common areas), and adults answering a health screening.

Cafeteria Expectations

All students must follow the posted cafeteria rules at breakfast, lunch, and after school when in the building. Cafeteria rules apply also to eating in classrooms and outdoors, unless obviously not applicable and as directed by school staff.

Changes to Thurgood Marshall Academy Policies

Thurgood Marshall Academy policies may be added or amended during the current school year. Any major policy changes will be communicated to students and their families in writing (which may be in the form of email).

College Counseling

Thurgood Marshall Academy prepares students for college. Students in all grade levels are exposed to college preparation activities. The College Counseling team provides assistance to students and families during the application process for admission and financial aid, including scholarships. College counseling supplements what students do in their everyday classes, which provide the skills needed to succeed in college.

Community Service

Every student must complete 100 hours of community service in order to be eligible for a diploma in the District of Columbia. Community service refers to service that a person performs for the benefit of his or her community. These services are designed to improve the quality of life for community residents or to solve particular problems related to their needs. To be considered community service, an activity must be:

- Completed at a 501c3 nonprofit institution or government agency;
- Performed for no pay;
- Beneficial to at least one other person and the larger community;
- Separate from a service activity for which the student is already receiving school credit or those mandated by a court or school disciplinary action.

Examples of activities that meet the community service definition include (but are not limited to):

- Working as a teacher's aide or office assistant
- Shelving books in the library
- Working in any capacity at a nonprofit organization
- Cleaning up the school on a Saturday
- Helping at a local fire or police department
- Sorting food at the food bank
- Serving meals at a homeless shelter

Volunteer hours must be completed at either a 501c3 non-profit organization or government agency. Students may not receive any pay for volunteer hours. Please refer to the Graduation Requirements for specific community service requirements at Thurgood Marshall Academy. Specifically, for portfolio targets towards the graduation requirement:

- By May 15th of 9th grade, students must have completed 20 hours.
- By May 15th of 10th grade, students must have completed 40 hours.
- By May 15th of 11th grade, students must have completed 70 hours.
- Students must complete one hundred (100) hours by May 15 of their graduation year.

Condom Availability Policy

The Condom Availability Policy was first established within the Department of Health's (DOH) Adolescent AIDS Prevention Program (AAP) in 1992. Implementation of the policy began in 1992 throughout the District of Columbia public high schools. This policy is designed to help prevent the spread of HIV/Sexually Transmitted Diseases (STDs) and reduce the incidence of unintentional pregnancies among youth. Since the inception of the policy, the Department of Health (DOH) has worked in partnership with public senior high schools to ensure that student education, counseling, and condom distribution services are available to all students who attend high schools with nurses supported by the DOH.

Because Thurgood Marshall Academy is a public high school, the Condom Availability Policy is implemented. Condoms are available to Thurgood Marshall Academy students based on the Condom Availability Policy through the school nurse, clinical counselor, health teacher, and student Deans.

The District of Columbia DOH, within its Disease Prevention Program, offers education, counseling, and the distribution of barrier methods, including condoms and dental dams to aid in preventing sexually transmitted diseases and pregnancy. Laboratory studies show that when used consistently and correctly condoms are effective in reducing the risk of HIV infection. Condoms are also effective in preventing the transmission of other STDs, hepatitis, and pregnancy.

Disease Prevention Program Implementation

Thurgood Marshall Academy staff authorized to give out condoms will receive annual training on the most recent, medically accurate barrier technology. Information provided in this training will be factual, evidence-based, current, and shall demonstrate sensitivity to the cultural and sexual diversity of students.

Education, Counseling, and Condom Distribution Services

1. Student Education

- a. Students will receive information on barrier methods during HIV and STD risk reduction classes by Thurgood Marshall Academy in the health program.
- b. All students will have the option of receiving individual health education by the school nurse or health teacher during the school year. Students may schedule health education services directly with the school nurse or health teacher. Students will be informed of this option and the procedure for obtaining individual health education services by flyer. School personnel shall provide monthly activity reports with non-identifiable student information as requested by the DOH.

2. Counseling

- a. All students shall have the option to receive private, confidential counseling upon request to the school nurse to obtain barrier methods.

- b. Students shall be given information on barrier method use, effectiveness and if requested, or needed, medical referrals.
- c. School nurses shall, upon request of the student, or if medically warranted, provide students with referral for further medical services and, or counseling. Students will be referred to their medical home, other primary care providers, free clinics, or local hospitals.

3. Distribution

- a. A variety of barrier methods to prevent sexually transmitted diseases shall be made available to students in the school nurse suite and health room.
- b. Students can receive up to 10 condoms and up to 10 dental dams per visit.

Dismissal

Expectations for dismissal from on-site activities, if any, will be communicated by activity leaders as needed.

Drug Policy

Thurgood Marshall Academy maintains a drug-free environment. Our Code of Conduct provides that Thurgood Marshall Academy will take punitive action against any student involved with drugs. Thurgood Marshall Academy will also take rehabilitative action in such cases through referrals to appropriate agencies. Using, possessing, distributing, purchasing or selling any illegal drug or controlled substance, or cannabis (including medical cannabis, marijuana, and hashish) is strictly prohibited.

Although District of Columbia law permits the use of marijuana (i.e., use by persons possessing lawfully issued medical marijuana cards), for persons 18 years or older, federal laws prohibit marijuana use, possession, and/or cultivation at educational institutions who are recipients of federal funds. The use, possession, or cultivation of marijuana for medical purposes is therefore not allowed at Thurgood Marshall Academy; nor is it permitted at any school sponsored event or activity off campus.

Emergency Contact Information

All students must have emergency contact information form on file, listing the names and phone numbers of any adults (over the age of 18) who may be contacted in the case of an emergency. It is the parent/guardian's responsibility to keep this information accurate and current. Students and/or student records will not be released to any individual not listed on the form. **Changes and/or updates to the form must be done in writing by the primary parent/guardian. Verbal changes will not be accepted.**

Enrollment

Students are enrolled according to the Enrollment Procedures set forth by the District of Columbia Office of the State Superintendent of Education and the Public Charter School Board. Under District rules, a student must complete all necessary documentation, provide current proof of residency, and medical and immunization records to be considered enrolled. Failure to provide necessary documentation will result in a loss of enrollment slot.

Current students must complete an Intent to Enroll form annually by the set date. Failure to complete the Intent to Enroll form may result in a student losing his/her slot for the upcoming school year. The student may have to begin the enrollment process as a new entering student and will be placed on the waitlist.

Entering and Exiting the School

Thurgood Marshall Academy wants to maintain a safe and organized educational environment with minimal impositions on its members, so there are rules for entering and exiting the building. Students, family members, and guests must enter and exit through the main school entrance facing Martin Luther King, Jr. Avenue. Additional entrances may be added for pandemic-safety, and these will be communicated as needed. All occupants must observe city health standards, such as wearing masks, upon entering the facilities. Students must have their *current* school identification card (ID) in order to enter the building each day. **Students must present their IDs to security and/or Thurgood Marshall Academy staff when entering the school.** Family members and guests entering the school must report to the security desk to sign in, provide identification, and be escorted by staff while in the building. Before a family member or guest exits the building, s/he must sign out at the security desk. Students must exit the building from the main school entrance facing Martin Luther King, Jr. Avenue unless directed to another entrance by school leaders. **After a student leaves the building for the day, s/he will not be allowed to re-enter the building that day. Students are not permitted to stand, loiter or socialize outside the school building before or after school. Students must comply with requests to vacate the premises when given by any staff member, administrator, or the school resource officer.** These rules help the security staff maintain the safety of the school.

Please note, students will not be released to individuals who are not listed on documentation provided by the family during registration. The school requires photo identification from any individual wishing to pick up a student from the building.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal law that affords parents the right to have access to their children’s education records, the right to seek to have the records amended, and the right to have some control over the disclosure of personally identifiable information from the education records. When a student turns 18 years old, or enters a postsecondary institution at any age, the rights under FERPA transfer from the parents to the student (—eligible student!). The full text of the FERPA statute can be found at 20 U.S.C. § 1232g and the FERPA regulations are found at 34 CFR Part 99. For additional information, please see the FERPA Notice of Rights and opt-out forms at Appendix F of the Student and Family Handbook.

Food

Thurgood Marshall Academy plans to follow USDA and DC Office of the State Superintendent (OSSE) guidelines regarding meals in school-year 2021-22. Details are to be determined, but indications are that students will receive meals on-site rather than through home delivery.

Forums

If a student, or a group of students, has a concern or issue and would like to discuss it with school officials, they may request a forum. To set up a forum, a student must complete a request form and submit it to the Director of Student Affairs. Forms are located in the Student Affairs suite.

Good Standing

Any student who is not in academic and/or behavioral good standing may be excluded from Thurgood Marshall Academy events. Students who are on Academic Probation, Disciplinary Probation, or a Final Probation Contract are considered to not meet the qualifications of good standing. The Administration reserves the right to exclude a student from any Thurgood Marshall Academy sponsored event, off-campus activity, or assembly based on the student’s academic or behavioral record.

A student that is not in —good standing! may be placed on what is known as the —Banned List.! Students on the Banned List will not be allowed to participate in any school sanctioned event until they have earned their way off of the Banned List. Criteria for being removed from the banned list will vary and depends on the reason the student was placed on the banned list.

Grievance/ Complaint Policy

Thurgood Marshall Academy values the input of students, parents and guardians, and encourages parents to offer feedback on any aspect of the school program. A quality educational program for students at Thurgood Marshall Academy can be achieved best by all individuals working together harmoniously. There will be times, however, when an individual may feel the need to file a complaint. When complaints or concerns occur, they should be resolved at the school or at the lowest possible administrative level through an informal process of cooperative agreement among the affected individuals.

However, when the informal process fails to provide resolution, an individual is entitled to file a formal complaint and seek a review of any administrative decisions made by school system staff members. Complaints and concerns should be initially directed to the following individuals:

- Teacher (if appropriate)
- Student Dean
- Head of School

Formal Complaint Process

When a concern or complaint is not resolved through the informal process, you may initiate the formal complaint process outlined below.

The first step in the formal process is to obtain a Formal Complaint Form from the school's website and return it to the student's Dean. You may attach descriptive or supportive information to the form. Keep a copy of the form and any attachments.

When your complaint form is received at the school, the Student's Dean or designee should contact you within three (3) school days to establish the date, time and place of a meeting to discuss your concern, if such a meeting has not already occurred. Usually, this meeting will take place within ten (10) school days. Within 10 school days of receipt of the written complaint, or this meeting, if any, the Student Dean and/or Head of School should respond to you in writing with a decision.

Sometimes a complaint or its resolution may be too complicated or, for other reasons, cannot be decided within 10 school days. In such cases, the Student Dean and/or Head of School will contact you within the first 10 days and arrange for an extension of the decision for no more than an additional 10 school days.

If you are not satisfied with the written decision, or if you do not receive a reply to your formal complaint within the specified time, you may request that your complaint be considered by the Executive Director. You must file your request for review within 15 calendar days of the Student Dean/Head of School response or the date when a decision was to have been made.

If you wish to request a review, forward the Complaint Form to Executive Director, with a note explaining the basis for disagreeing with the decision. The Executive Director will respond, using a procedure and time limits similar to those followed by the Student Dean/ Head of School, as follows: (a) a meeting may be arranged within 3 work days; (b) a resolution on the review within 10 work days after the meeting, if any; and (c) an extension of an additional 10 work days if the matter is unusually complicated or otherwise requires additional time. The Executive Director or his /her designee may respond by phone or in writing.

If you feel your complaint, whether administrative or programmatic, is not addressed properly at the school level, you may file a formal grievance. The process for filing a formal grievance is found in Appendix A of the Handbook and separately online in the Policy and Resources section of our website.

If you have a concern or grievance that you wish to share with Thurgood Marshall Academy’s Board of Trustees, please contact the Chair of the Board, Jonathan Stoel at 202-637-5600.

Harassment and Sexual Harassment Policy

Thurgood Marshall Academy PCHS is committed to providing all students with a safe and supportive school environment. Members of the school community, including teachers, students, administrators and staff, are expected to treat each other with mutual respect at all times.

This directive is issued to provide guidance on conduct that might give rise to complaints of harassment generally, and sexual harassment specifically, and the steps that school officers, parents, teachers, and students should take in responding to such conduct and/or complaints.

I. Harassment of Students or Employees by Employees or Other Students—Defined

Harassment is a violation of school policy, and includes verbal, nonverbal, and physical conduct that substantially interferes with a student’s education or creates an intimidating or hostile environment. This includes, but is not limited to, harassment based on race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, family responsibilities, matriculation, political affiliation, disability, source of income, or place of residence or business.

II. Sexual Harassment of Students or Employees by Employees or Other Students- Defined

Sexual harassment of students and employees is prohibited at Thurgood Marshall Academy. Sexual harassment includes, but is not limited to, unwelcome sexual advances, verbal sexual

=====

behavior, or nonverbal sexual behavior that substantially interferes with a student’s education, or creates an intimidating or hostile environment.

III. Sanctions for Harassment and/or Sexual Harassment of Students by Students

Harassment generally, and sexual harassment specifically, of students by students is specifically prohibited by the Thurgood Marshall Academy Code of Conduct, and such harassment constitutes grounds for disciplinary actions and/or school exclusions as set forth in those provisions.

IV. Sanctions for Harassment and/or Sexual Harassment of Students by Employees

Harassment generally, and sexual harassment specifically, of students by employees is specifically prohibited by this directive and Thurgood Marshall Academy policy. Such conduct by employees will be subject to adverse action provisions as set forth in the Faculty Handbook, and may lead to adverse action including termination of employment.

V. Grievance Procedures for Harassment and/or Sexual Harassment of Students

Complaints of harassment generally, and sexual harassment specifically, of students by students, employees or other persons may result in an allegation of denial or abridgement of student rights as set forth in the Thurgood Marshall Academy Code of Conduct. When necessary, students and parents/guardians may avail themselves of the grievance procedures. Any student who feels s/he has been harassed should report the incident to his or her Divisional Dean and/or another member of school administration.

Health Services

Thurgood Marshall Academy leaders monitor carefully DC health guidance regarding the COVID-19 pandemic response. Policies and procedures responding to this guidance to ensure the safety of the school community are written and communicated independent of this handbook. The general health service information below is therefore subject to change.

The Health Suite is located on the ground floor.

The nurse from the District of Columbia Department of Health (DC DOH) is responsible for coordinating all medical and nursing services provided in the school. Nursing services include: health assessments, health counseling, health care referrals, emergency care, first aid, and supportive health and safety education for all students and school personnel.

The nurse or trained staff may administer medication with a physician’s authorization and parental consent. Students must have on file a **medication authorization form** which can be obtained from the nurse.

=====

Students will not be admitted to the Health Suite without a valid pass from a teacher. The nurse will sign the pass noting the arrival time and the length of stay in the health unit. The pass will be given to the teacher upon the student's return to class. If the nurse determines that a student is too ill to remain in school, s/he will contact the child's parent/guardian. Students who are ill may not leave the building without written authorization from a TMA staff member.

Exclusion Criteria

Children may not attend Thurgood Marshall Academy if they have any of the following signs or symptoms:

- Any illness that prevents the child from participating comfortably in the school program
- Any illness that results in a greater need for care than staff can provide without compromising the health and safety of other children
- Fever (over 100 degrees by mouth, ear, or rectally)
- Difficulty breathing (e.g. uncontrolled asthma attack)
- Lethargy, extreme irritability, persistent pain, or other sign of possible severe illness

If the school nurse or Thurgood Marshall Academy staff/faculty suspect or learn of a student with a communicable disease, contagious symptoms or any of the above signs/symptoms the student must submit a physician's note indicating that s/he is eligible to be in school. Students will not be permitted to return to school activity without a physician's clearance. Additional exclusion requirements, including mandatory dismissal of students with symptoms as well as quarantine or other waiting periods may apply to students exposed to or displaying symptoms of COVID-19; Thurgood Marshall Academy plans to be guided by DC Health and DC OSSE in such cases.

Immunizations

Students must be up to date on all immunizations recommended by the District of Columbia DOH. If you do not want your child immunized for medical or religious reasons, you must fill out the appropriate exemption forms available from the nurse. Students who do not have all of their immunizations up to date may not be permitted to attend school in accordance with DC laws and regulations.

Communicable Disease

The DC DOH does not permit students to remain at Thurgood Marshall Academy if they have a communicable disease or symptoms of a communicable disease. Parent(s)/guardian(s) should notify the school's nurse within 24 hours after the student has developed a known or suspected communicable disease. If a student is found to have signs or symptoms of a communicable disease, a notice will be sent home indicating the disease and the nature of the illness. The names of the students will not be provided. All information about communicable diseases is confidential.

The following communicable diseases must be posted or reported:

- Chicken pox/varicella

Medication

The school nurse and/or trained staff may administer medication to students while in school. Students must have a current Medication Authorization Form signed by a current physician on file to take any medication at school (even over-the-counter items such as aspirin). No medication will be administered unless the parent has completed a Medical Authorization Form. The form must be completed each school year.

- Prescription Medicine—Prescription medicines will be administered by the nurse or trained staff only if left in the original container and only according to the instructions on the container.
- Non-prescription Medicine—Thurgood Marshall Academy staff and/or nurse will not administer any nonprescription medication without a note from physician. Please cooperate by not asking our staff to administer drugs without instructions from a physician.

Students must secure all remaining medication by the last day of school from the school nurse. Any medication left after the last day of school will be discarded.

Student possession of prescription or non-prescription medication outside of the Medication Policy outlined above is a violation of the Code of Conduct. If found, in addition to any disciplinary action, medications will be confiscated and only a parent or guardian may retrieve the medications.

Homeless Students/ McKinney-Vento

Thurgood Marshall Academy provides services for students who qualify as homeless under the McKinney Vento Act. Families receive information on the McKinney-Vento Homeless Education Assistance Act annually. The school's McKinney-Vento liaison acts as the main point of contact for families and government agencies. Referrals may be made to the student's Dean or McKinney-Vento liaison.

The McKinney-Vento liaison annually informs staff and parents/guardians of steps to take when referring a child for assessment, common signs of homelessness, and services that will be made available to all identified students. Referrals and assessments will be on-going throughout the year. Once a student is successfully identified, the liaison—in cooperation with school staff—ensures and records that all services are being rendered to the student if need is presented; Metro cards, uniforms, and supplies will be handled through the office of the liaison. All students, regardless of situation, are tracked academically through their Divisional Dean. If a student is identified for having an IEP, through the SEDs system, they will receive Special Education in a timely manner from the Special Education Department. On a quarterly basis, the McKinneyVento liaison will check in with all students identified as homeless to verify that services are being provided. If, at any time, a disciplinary hearing is required due to an identified student's actions, the liaison will sit in on the meeting to verify that those actions were not as a result of their living situation.

All identified students will be re-assessed annually, unless a change in living situation is presented to the school.

Internet Policy

Families facing challenges providing Internet at home for their Thurgood Marshall Academy student's studies are encouraged to contact the Operations department, which will assess options to assist.

Thurgood Marshall Academy provides Internet access for students to do research for school projects and class assignments. To ensure that students become responsible Internet users, Thurgood Marshall Academy permits Internet access under the following circumstances:

1. During class, students may use the Internet for class-related work under the supervision of the teacher of the class.
2. Before and after school and during lunch, students may use the Internet to find information about subjects approved by the staff member providing supervision.
3. During Advisory, students may use the Internet under the supervision of their advisor.
4. During tutoring, students may use the Internet for locating information on homework topics under the supervision of a tutor.

No food, drink, or gum is allowed in any computer area. Chat room/social community visits are not permitted, unless part of a teacher assigned assignment. No printing will be allowed without the permission of the supervisor.

Students who violate the school's Acceptable Use Agreement (see the Appendix) will have all computer privileges suspended. The Acceptable Use Agreement and all Internet Policies also extend to those using school internet (wi-fi) for personal devices (e.g. laptops from home, mobile phones, tablets, etc.).

Laptop Use (touchpads, iPads, e-readers, or similar devices)

TMA will provide chromebooks and hotspots (as needed) to support study at home and, when needed, distance learning. Students are expected to take care of all equipment and return upon instruction. As with all things we are aware that accidents may happen. If the TMA equipment is damaged for any reason students or parents should reach out to Ms. Moore at nmoore@tmapchs.org. The first time the equipment will be replaced and after that a fee of \$250 will be incurred and placed on the student's school bill. All bills must be satisfied by June 30 of each school year. Please note that the TMA Acceptable Use Agreement is in effect off campus as all issued technology is the property of Thurgood Marshall Academy.

Mandated Reporting

Student's safety is our first priority at Thurgood Marshall Academy. Because schools are mandated reporters of child abuse and neglect, we will call the Child and Family Services Child Abuse and Neglect Hotline if:

- A student tells a staff/faculty member that they are being abused at home, there is drug use in the home, have been sexually abused, are engaging in child pornography or prostitution, have witnessed domestic abuse, are being threatened at home, or don't want to go home because they are afraid.
- A student threatens suicide or threatens to kill or seriously harm another person.
- A staff member sees physical signs of abuse such as bruises, burns, fractures, etc.
- A staff member notices signs of neglect, abuse, or risk, including but not limited to lack of basic food and clothing, inappropriate hygiene, lack of appropriate supervision, lack of medical treatment, or the child is residing in an inappropriate or dangerous environment.
- A student is engaging in risky behavior (including sexual behavior, drug use, etc.) and the parents are not able to or unwilling to intervene.
- A student has 10 or more unexcused absences or an extreme tardy problem. (Age relevant as per DCMR)
- A student is being kept from school to care for family members or to do chores or work around the house.
- A student is not attending school because they are holding a job.
- Parents are repeatedly not returning phone calls, responding to notes or letters home, or are not coming up to school for meetings.

Prohibited Items

Although TMA is in a virtual status, if for any reason a student has to come into the building this policy will be enforced. Drugs (including prescription and over-the-counter medications not provided to the school nurse), alcohol, tobacco products, weapons, sharp objects, and other potentially dangerous or illegal substances or objects that are, or could be, intended to inflict harm are prohibited. Possessing, using, or threatening to use prohibited items are grounds for expulsion.

Residency Verification

All guardians seeking to enroll a student must prove DC residency during the designated enrollment period for each student. If there are any residency disputes, the guardian has three (3) calendar days to submit the additional documentation. If residency cannot be proven by this time, the child will automatically be un-enrolled. DC residency must be proven by the legal guardian. If anyone besides the birth mother or birth father is proving residency, legal documentation must be submitted proving guardianship. Thurgood Marshall Academy may institute a residency investigation upon receiving evidence that a family is not living in the District of Columbia.

School Closings

This section concerns weather emergencies and the like when on-site activities are planned. School schedules responding to the pandemic (for example, virtual learning) are communicated to families on a case-by-case basis.

For weather emergencies when on-site instruction is planned, Thurgood Marshall Academy generally follows DCPS school delay/closing decisions. Information regarding school closings due to snow, excessive heat, etc., as well as other emergency information related to the school, will be announced via robo-call, text messaging, local radio and television stations.

In the event that the school is closed for more snow and/or emergency closing days than allotted per each calendar year, a contingency plan will be enacted to restore academic days.

School Materials Policy

The school provides a variety of materials to aid students' learning. Students must use these items with care and respect, as they and their parents/guardians are responsible for the cost of any school property that is lost or damaged. Students purchase their own notebooks, folders, pens, pencils, paper, and other necessary school supplies.

Student Activities

Throughout the school year, students have the opportunity to participate in various activities in and out of the school building. These activities may include a field trip, guest speaker, prom, senior class trip, or other school sponsored events both during and after school. Students must meet eligibility criteria to participate in the event. Criteria for each event are determined on a case by case basis and students are informed of the criteria prior to the activity. Criteria include a student's:

- Academic standing and performance
- Discipline conduct and infraction points
- Student fees (if applicable)
- Other criteria determined by the administration as pertaining to the event

While the school makes every attempt to offer all student activities and trips at no-cost to families, we may ask families to contribute to certain student activities. Families may apply for financial assistance if necessary.

Student Fees

Student fees accumulated during any school year must be paid in full to receive final report cards, transcripts, or school records when graduating, withdrawing or transferring a student. Senior students with an excessive outstanding balance may not be allowed to participate in

graduation activities. If students have outstanding bills, they may not be able to participate in school activities throughout the school year or subsequent school years.

Families receive updates of student account bills throughout the school year. Student fees are assessed for the following:

- Textbooks
- School uniforms
- School IDs
- School supplies
- Student testing fees (PSAT, SAT, ACT, AP exams)
- Student consumables (workbooks, novels, lab materials, any other supplies provided to a student).
- Damage to school issued electronic devices used by the student (laptop, e-reader, tablet, etc.)
- Senior fees including graduation, prom, senior trip, etc.
- Any other item where a fee is assessed by the school

Thurgood Marshall Academy offers families/students a payment plan option, when needed, to pay off student balances. The fee schedule below represents student fees. ***These are subject to change without notice.***

Students of Legal Age (18)

Thurgood Marshall Academy recognizes that when most students reach the age of 18, the student has rights which were formerly rights of the parent/guardian. When an eligible student turns 18 year old he/she will assume the rights previously afforded to the parent/guardian. Thurgood Marshall Academy shall continue to communicate to the student and the student's parent(s)/guardian(s) as the school does before an eligible student turns 18, unless the student requests in writing that communication with the parent(s)/guardian(s) be ceased. The communication will be for informational purposes, only. The school will continue to mail home any report cards, notifications, and communications to the address on the student's record. Students who are emancipated minors by the courts will be afforded all rights given by law.

The school will continue to contact the family members listed on the school contact sheets to approve any early dismissal. In the absence of any verbal permission provided from a contact on file, students wishing to sign themselves out from school will be asked to present documentation in the form of a medical appointment card or similar evidence to justify an early dismissal. Absent such evidence or verbal permission from a person on file, the student will not be permitted to leave school early and doing so may result in disciplinary action in accordance with the rules set forth in this Handbook.

Note: The courts may declare a seriously handicapped person a permanent ward and in such instances the student could not declare legal independence.

Student Government

The Student Government gives students the opportunity to assume leadership roles in their grade and the greater Thurgood Marshall Academy community. Once students are elected/nominated to serve a one-year term, they become part of the collective leadership voice of the student body. Their duties involve planning special events (dances, Spirit Week, and socials), discussing student concerns, and working to improve the Thurgood Marshall Academy community as a whole. In addition, the representatives from each grade assume lead roles in planning grade-wide events.

Student Privacy

Thurgood Marshall Academy will comply with all District of Columbia laws and regulations regarding student privacy. We respect the privacy of all parents and students in regards to student records.

Testing

Students in the 9th through 12th grades take a variety of tests, including mid-term exams, final exams, internal Thurgood Marshall Academy assessments, PARCC, PSAT, SAT, ACT, and AP tests.

Standardized Testing: All 9th-11th grade students take mandated standardized tests as determined by the District of Columbia. Additionally, all students enrolled in Biology must take the Biology DC Science Assessment regardless of grade level.

Families wishing to opt out of any required testing should consult the Grading Policy for details about the consequences for failing to participate. These consequences include, but are not limited to, restrictions on taking AP and other advanced courses requiring additional summative assessments.

Impact of Attendance on Final Exam Exemption

Seniors will **not** be eligible to exempt a final exam in a class if they have more than **five (5)** unexcused absences in the class for the fourth quarter. Students and parents/guardians may appeal for final exam exemption in a course, if the student meets the other criteria, following the appeals procedure. The Head of School will notify students in cases where attendance appeals have been granted.

Textbook Return

Students may be issued textbooks at the beginning of each school year. Textbooks are property of Thurgood Marshall Academy and must be returned at the end of the school year. *Students who do not return the assigned textbooks or who return assigned textbooks in a damaged condition may be charged the cost of replacing the item.* Students and parents/guardians may not be able to receive final report cards, transcripts, or withdrawal or transfer records until the balance for any missing or damaged textbooks is paid.

Title IX and Non-Discrimination Statement

In accordance with Title VI of the Civil Rights Act of 1964 (—Title VII), Title IX of the Education Amendments of 1972 (—Title IX), Section 504 of the Rehabilitation Act of 1973 (—Section 504), Title II of the Americans with Disabilities Act of 1990 (—ADA), and the Age Discrimination Act of 1975 (—The Age Act), and applicable District of Columbia laws and regulations applicants for admission and employment, students, parents, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with Thurgood Marshall Academy are hereby notified that Thurgood Marshall Academy does not discriminate on the basis of race, color, national origin, sex, age, religion, marital status, personal appearance, sexual orientation, gender identity or expression, family responsibilities, matriculation, political affiliation, genetic information or disability in admission or access to, or treatment or employment in, its programs and activities.

Video/ Audio Recording

Video and audio recording of events not open to the public involving a) school employees carrying out their school-related duties, and/or b) students, and/or c) parents and/or d) others involved in school-related business, including but in no way limited to meetings between parents and teachers/administrators, IEP team meetings and other special education – related meetings, meetings between or among administrators and school employees and/or meetings between or among school employees only and/or meetings between or among administrators only shall not be permitted.

Exceptions to this policy may be granted by the Executive Director in her/his sole and exclusive judgment. Prior written requests to video or audio record events as aforesaid must be made to the Executive Director at least 48 hours prior to the event that the requestor seeks to video or audio record. Such permission should only be granted under extraordinary circumstances and where doing so will be in the best interests of Thurgood Marshall Academy in pursuing its educational mission and in the best interests of students. If permission is granted to video and/or audio record an event, under no circumstances may any recording of any kind whatsoever be made public, posted on the internet, or sold. School leaders will determine whether Zoom calls and other electronic meetings are to be recorded, and such recordings are the property of Thurgood Marshall Academy.

Nothing herein shall be interpreted to prohibit any person from video or audio recording any school-related event which is open to the general public, including but not limited to athletic contest, fine arts performances, debate tournaments, etc. A person may not profit directly or indirectly from the recording of any such public event by selling or posting such recordings on the internet for a fee.

Video Surveillance

Thurgood Marshall Academy is secured with video surveillance equipment. Video cameras record and monitor school activity before, during, and after school. Students and/or visitors to the building should not have the assumed right to privacy. Video footage will be reviewed as deemed necessary by school administration, Deans, and/or security. Video footage is the property of Thurgood Marshall Academy, is not considered a school record, and will not be released to any individual with the exception of law enforcement or under lawful subpoena.

Visitor Policy

Family members of students and other guests are welcome at Thurgood Marshall Academy.

As noted in the “Building Hours” section above, the school asks that visitors limit business on school grounds as much as possible during pandemic-response periods, and that visitors be prepared to undertake additional clearances--such as a health screening--before entering the building. In addition, to ensure the safety of all members of the Thurgood Marshall Academy community, the school established the following visitor policy:

1. All visitors must present identification and sign in and out at the security desk at the school entrance.
2. A visitor wishing to meet with a teacher or other staff member should make an appointment in advance with that person.
3. Any visitor who interferes with the work of students or employees of Thurgood Marshall Academy will be asked to leave immediately.
4. Any visitor wishing to visit a current student must be included on the student’s Emergency Contact Form. The school will not allow anyone to see a student if he/she is not included on the form. Any changes to the Emergency Contact Form must be done so in writing from the parent/guardian listed as the primary contact for the student.
5. In addition to the conditions noted above, any visitor wishing to provide outside services (counselors, mentors, etc.) for a currently enrolled student must provide the school with a signed consent form and contact the school in advance if they require space to provide services. Please note, confidential meeting space is limited at the school and requests may be denied if the school is unable to accommodate due to space limitations. Therefore, it is imperative that parents and service providers communicate needs to the appropriate Dean in advance.

Withdrawal

Students may withdraw from Thurgood Marshall Academy during the school year, before the school year or after the school year. Families who wish to withdraw a student must complete the Withdrawal Form, return all assigned textbooks, and pay all outstanding school fees. Parents/Guardians must provide proof of enrollment in a subsequent school within ten (10) calendar days. Failure to do so will result in the student being considered truant/drop-out. Proper truancy protocols will be followed.

Students who withdraw from Thurgood Marshall Academy at any point may not re-enroll during the same school year. Students must begin the enrollment process as new students for subsequent school years. Such students will be evaluated on a case-by-case basis by the school administration pending credit evaluations. **Students who are scheduled for Disciplinary Hearings (e.g. expulsion and/or long term suspension) and elect to withdraw will not be eligible to re-enroll for a period of one year.**

Academic Policies

Academic Communications

Progress reports are distributed two times per quarter. Report cards are distributed at the end of each quarter.

Academic Probation

Students who are in danger of failing, have low or failing grades from the previous school year, and/or have a GPA of 1.50 or lower are placed on academic probation. Academic probation consists of required tutoring as well as check-in meetings with the student's Divisional Dean. Students may be placed on academic probation at any time throughout the school year. Students on academic probation are re-evaluated at the end of each quarter to determine whether a change in their status is appropriate.

Academic Records Requests

Requests for academic records (transcripts, report cards, conduct, attendance, special education evaluations, individualized education plans, Verification of Enrollment, etc.) must be submitted in writing to the Correspondence Drop Box. The form for such requests is available in the main office. There may be fees associated with requests. Only grades earned at Thurgood Marshall Academy will be included in the student's GPA. The Administration may determine that a student does not qualify to be valedictorian or salutatorian if he/she has any discipline infractions or is not in good standing based on his/her conduct record. (Graduation Only)

Calculating Course Grades

Semester Courses

For half credit (.5 credits) courses, both quarters are equal to 90% of the final grade, and a cumulative final exam is equal to 10% of the final grade.

Yearlong Courses

For yearlong courses (1.0 credit), all four quarters are equal to 90% of the final grade and the cumulative final exam is worth 10% of the final grade. Mid-term exams are calculated as part of the second quarter grade.

Senior Final Exam Exemption Policy

The exemption from final exams is designed to provide incentive for seniors to maintain a responsible academic record through their final term at Thurgood Marshall Academy Public Charter High School. **Final Exam exemption applies only to seniors** and does **NOT** apply to Advanced Placement (AP) tests or project-based finals and papers. Seniors who are eligible for exemption are not required to take an exam nor should s/he report to school during the assigned testing period. Students who meet the exemption criteria will not be required to take the final exam for the course and their final grade will be calculated as follows:

Year-long Courses

Quarter 1 (25%) + Quarter 2 (25%) + Quarter 3 (25%) + Quarter 4 (25%) = Final Course Grade

Semester Courses

Quarter 1/3 (50%) + Quarter 2/4 (50%) = Final Course Grade

If a senior who is eligible for exemption elects to take the final exam, the student should notify the instructor of his/her preference to sit for the final test.

Teachers will be notified of students who qualify for exemption and instructors are responsible for informing such students. Letters will be provided to parents about which course(s) the exemption applies and the period(s) in which the student should not report to school.

In order to exempt a final exam, seniors must meet the following criteria:

Seniors who have a cumulative —All average, 90.0% or greater, at the end of a course (semester and year-long courses) may be eligible to exempt the final exam in that course if they meet the other criteria. The 90.0% or greater average will be calculated from the mean of each quarter through progress report two in the last quarter of the course. For example:

Year-long Course Qualification

$$(Q1 + Q2 + Q3 + Q4P2)/4 = 90.0\% \text{ or higher}$$

Semester Course Qualification

$$(Q1 + Q2P2)/2 = 90.0\% \text{ or higher } \textit{or} \ (Q3 + Q4P2)/2 = 90.0\% \text{ or higher}$$

Course Catalog

Thurgood Marshall Academy publishes a Course Catalog annually. The Course Catalog includes class offerings and educational opportunities. In addition, information about graduation requirements and scheduling procedures are included. It is important to note that *not all courses listed are offered each semester*. Some courses may not be offered due to student sign-ups, resources available, and/or teacher availability. Copies of the Course Catalog may be requested from the main office or accessed via the school's website.

Course Credit

To receive course credit to meet promotion and graduation requirements, a student may not score lower than a C- for a final grade for a course. Students who receive final grades which are 69% or below do not receive credit for the course in which they have received the grade. The school issues letter grades on all report cards and transcripts. The school does not provide numeric grades.

Current Student Transfer Credit Policy for Credit Recovery

Thurgood Marshall Academy accepts credit recovery credits for students who have completed the course at Thurgood Marshall Academy but did not earn a passing grade.

Students in grades 9 -11 may earn up to three (3) recovery credits per school year from an approved credit bearing institution. Graduating seniors in need of credit to meet graduation requirements may enroll in the required courses needed without limit. Credit bearing institutions include:

- Thurgood Marshall Academy (Summer School and Credit Recovery Program)
- DCPS Summer School
- Summer School offered by an accredited school system (e.g., Washington, DC, Catholic Schools)
- Nationally accredited credit recovery programs (*Note: Any course available in the course catalog of any approved credit recovery program can be used to meet graduation requirements. A TMA administrator will review the course and make a final determination on how the course will be applied to the graduation requirement.*)

Students seeking credit recovery must be enrolled in a course that corresponds to Thurgood Marshall Academy's course and graduation requirements. It is the student's responsibility to enroll in the appropriate courses at an approved institution. Students *must seek approval* from the

Head of School **before** enrolling in any courses outside of Thurgood Marshall Academy to ensure that the course meets the school’s credit transfer requirements and graduation criteria.

Students in grades 9-11 must be currently enrolled and have completed and failed a course to participate in credit recovery. A transcript evaluation will be completed to make a final determination on eligibility and participation.

To earn recovery credit, students must successfully complete a course with a C- or better or the numeric equivalent of a 70% or higher.

Students seeking transfer of credit recovery courses will be reviewed on an individual basis by Thurgood Marshall Academy administration.

Please consult the school’s Course Catalog for specific policies related to grade calculations for transfer and credit recovery grades.

Grade Point Average

A student’s Grade Point Average (GPA) is extremely important for the college admissions process. A high GPA enables students to be competitive in the college application process and makes it easier to earn scholarship money to pay for the costs of a college education. Each Thurgood Marshall Academy student should understand that colleges examine a student’s cumulative GPA from ninth through twelfth grade. Students will learn how to calculate their GPAs in Advisory. Advanced Placement and honors courses receive extra weight in the calculation of the student’s GPA. Please refer to the section on Advanced Placement and honors courses. Thurgood Marshall Academy only includes grades earned at the school towards a student’s GPA calculation.

Calculating GPA

Each letter grade is assigned a Grade Point Value (see table above). The GPA is calculated by multiplying the Grade Point Value for all eligible completed courses (FINAL grades only) by the credit attempted for the courses (courses are valued at 0.25 credit, 0.5 credit or 1.0 credit). The final number is divided by the total number of credits attempted to obtain the GPA. GPAs are only calculated at the end of the school year. Student transcripts reflect both a yearly GPA and a cumulative GPA (inclusive of all eligible courses completed at Thurgood Marshall Academy).

Example:

Sam Jackson, 11th grade

Course Name	FINAL Grade	Grade Point Value		Credit Attempted	GPA Value
AP English Language	A-	4.67	X	1.00	4.67
Algebra 2 (H)	B+	3.83	X	1.00	3.83
Spanish 3	C	2.00	X	1.00	2.00
US History	C-	1.67	X	1.00	1.67
Intro to Law	F	0.00	X	1.00	0.00
PE 2	B	3.00	X	0.50	1.50
Music App	C	2.00	X	0.50	1.00
				Total:	6.00
				Year-end GPA:	2.445

Courses Included in GPA Calculation

Only eligible courses completed during the regular academic year are factored into the GPA calculation. Generally, all academic courses offered during the regular academic year are included in the GPA calculation. Courses graded on a Pass/Fail scale (Law Firm Tutoring, AP Seminar courses, etc.), summer school courses, and credit recovery courses are not included in the GPA calculation. Please reference the course catalog to determine if a course is included in the GPA calculation.

Factoring Summer Courses and Credit Recovery Courses into GPA

Class of 2024 and After

Students must earn a passing grade (70% or higher) to *make up for the failed* courses (taken either at TMA or another location) and credit recovery courses. *Students who complete a credit recovery course will earn a C- on their transcript. There is also a (CR) next to the course to indicate that it is a recovery course. The original failing grade remains on the transcript and is averaged with the C- for GPA purposes.*

Class of Before 2024

Summer school courses (taken either at TMA or at another location) and credit recovery courses are not factored into the GPA calculation. These courses are taken for credit recovery purposes only. The original failing mark earned in the course is the only grade factored into the GPA calculation.

Factoring High School Grades Received Prior to TMA Enrollment

Grades received prior to enrolling at Thurgood Marshall Academy are not factored into the GPA calculation. A Transfer Credit Worksheet should be completed during the summer prior to enrolling at Thurgood Marshall Academy PCHS. The Transfer Credit Worksheet will include all courses included on the official transcript from the student’s sending school and denote if the course credit earned will transfer into Thurgood Marshall Academy. These courses are used to fulfill graduation requirements, but the grades are not eligible for inclusion in the GPA calculation.

Factoring Grades from a Repeated Grade at TMA

Grades from the year repeated are factored into the GPA calculation for students of the class of 2024 and after.

Graduation Requirements

Student schedules are done on an annual basis. Students complete the course request process each spring. Student course selections are not final until approved by school administration. Faculty/staff recommendations are a part of the student scheduling process. All students must have full-day schedules; senior students who have met all graduation requirements may enroll in elective courses—half-day or part-time student schedules are not permitted. Student schedules cannot be changed after the schedule request class add/drop date established each academic year; full-year courses may only be changed in the fall.

Seniors who do not meet all graduation requirements will not be allowed to participate in commencement activities. This includes community service hours, academics, and discipline requirements.

Homework Policy

Homework is an important aspect of school work at Thurgood Marshall Academy. It helps students prepare for class and extend concepts learned in class. Students with an excused absence have two days to turn in homework assignments. Students with excused, long-term absences can make alternative arrangements with the administration. A teacher may adjust this policy at his or her discretion. It is the student's responsibility to speak with his or her teacher about late homework assignments the day s/he returns to school.

Honors and Advanced Placement Courses

Thurgood Marshall Academy is a rigorous college preparatory high school. It offers a variety of honors and Advanced Placement courses. Grades in honors courses will be weighted an extra .5 in calculating student GPAs. Grades in Advanced Placement courses will be weighted an extra 1.0 in calculating student GPAs. Weighted course grades do not affect a student's overall grade in a course.

Incoming 9th grade students will be assessed for eligibility based on Summer Prep test results. Placement in honors and Advanced Placement courses is based upon a combination of student grades, performance on standardized tests such as PARCC and PSAT, and teacher recommendation.

Advanced Placement Courses

The Advanced Placement (AP) program is a cooperative educational endeavor between secondary schools and colleges/universities. AP courses give students exposure to college-level material and provide them an opportunity to show their mastery of course content by taking the AP exam. Colleges and universities often grant credit, placement or both to students who earn passing scores on the AP exam.

AP courses are extremely rigorous and cover content at an accelerated pace. Students who choose to take AP courses are expected to complete all pre-course/summer requirements specific to the course, remain in the course for the entire year and sit for the associated AP exam. Students are responsible for paying all applicable AP exam fees.

If a student struggles with an AP course, it is expected that they will commit themselves to a greater effort and seek regular support services. ***Please note that students who both choose and are scheduled for AP course(s) will be required to remain in the course(s) after the course add/drop date.***

Individualized Education Plans (IEP)

An IEP is a legal document that sets goals and objectives for students with disabilities. Thurgood Marshall Academy places students with IEPs in the least restrictive environments available for those students. The IEP describes the programs and services that will be offered to help these students reach their goals. Student IEPs will be reviewed annually as required by the Individuals with Disability Education Act (IDEA). The IEP team consists of the student, his or her parent/guardian, a special education teacher, general education teachers and other personnel as needed. A re-evaluation of the IEP will be completed at least once every three years to determine whether the student is still eligible for special education services, and what services s/he needs.

Parents of new students should advise the school of any previous IEPs or special services their child received in the past.

Additional information regarding special education, including how to request services at Thurgood Marshall Academy, can be found on our website at www.thurgoodmarshallacademy.org.

Late Project and Alternative Assessment Policy

Timely completion of assignments is important for classroom learning and preparation for college. Teachers may choose not to accept late projects. If a teacher chooses to accept a late project/alternative assessment it will be deducted one letter grade for each school day that it is late. In case of an emergency, it is the student's responsibility to speak with his or her teachers to ask for additional time, which may be granted at the teacher's discretion.

Make-Up Work Policy

We want students to learn and take responsibility for their school work. Students with excused absences must pick up their work the day they return to class. It is the student's responsibility to request his or her work from his or her teacher. Students have two days to complete their assignments for each excused day that they were absent. This includes class notes, handouts, and any other academic work that was missed. **Students exceeding five excused absences in a row must see their teachers to create make-up work plans.** This is the responsibility of the student. No credit will be given if the plan is not followed correctly by the student. Adjustments to the plan may be made at the teacher's discretion.

Students returning from unexcused absences will be given work at the discretion of the teacher. For this reason, it is important to ensure that families are submitting appropriate paperwork to excuse absences.

Requests for work should be made directly to that subject area teacher.

In-class tests and quizzes may be made up with a documented excused absence. Students have two days to make up quizzes and tests for each excused day absent. It is the student's responsibility to arrange this with his/her teacher. Adjustments to this policy may be made at the teacher's discretion.

Promotion Policy

Thurgood Marshall Academy believes that students' school performance is a significant measure of their learning attainments. For a student to succeed at increasing higher levels of school, s/he needs to have a sufficient foundation at his/her present level. Thurgood Marshall Academy believes it is in a student's interest to build a substantial academic foundation before advancing to higher academic levels. This preparation may take more than four years. In fact, many well known college preparatory schools serve the purpose of providing an extra year of study when needed for college readiness.

Accordingly, students must meet applicable academic and discipline standards in order to be promoted to the next grade level.

Academics

The school's promotion policy is grade-level specific as follows:

9th grade students must have a minimum of 4.0 credits to be promoted to 10th grade. Three of the four credits must be earned in core course subject areas including English or Algebra I, social studies, science and world language.

10th grade students must have a minimum of 9 credits (including at least one foreign language credit) and fail no more than two core courses to be promoted to 11th grade.

11th grade students must have a minimum of 16 credits (including at least two foreign language credits) and be on track to fulfill graduation requirements (based on a transcript review) to be promoted to 12th grade.

To receive a diploma, seniors must meet all graduation requirements.

Community Service

Community service is an important dimension of a student's civic development and inherent in the mission of Thurgood Marshall Academy. Community service must be documented annually by May 15. Students must complete one hundred hours of community service to meet graduation requirements, as set forth below by the targets for the Portfolio program:

1. By May 15th of 9th grade, students should have completed 20 hours.
2. By May 15th of 10th grade, students should have completed 40 hours.
3. By May 15th of 11th grade, students should have completed 70 hours.
4. Students must complete one hundred hours by May 15 of their graduation year.

Community service may be completed on campus or in the student's community. The Thurgood Marshall Academy Programs Office and Office of Student Affairs periodically arrange for community service projects for students. Community service hours must be submitted by May 15 of the current academic year to be counted for portfolio requirements.

In order to receive credit for community service, students must have hours documented through the [x2voll](#) online program. Information regarding this program may be found on the school website. Community Service may only be performed at a 501(c)(3) non-profit organization or government agency and must be verified by an adult using the online portal. The verifying adult may not be an immediate family member (parent, guardian or sibling). Only community service

hours earned after the conclusion of middle school will be counted towards graduation requirements.

Conduct

Students who have accumulated 20 or more discipline infraction points will not be promoted to the next grade. For a more detailed description of this process, please see the section on the Code of Conduct.

Portfolio

The portfolio is a collection of work and reflective assignments that a student has completed throughout the school year. The portfolio process includes: subject area academic work, citizenship and academic goal tracking and reflection, as well as college and career preparation components, all which are graded by his/her advisor and submitted each quarter. There is a different set of requirements for each grade level. Students compile their portfolios throughout the year and are assisted with this process during Advisory. New students present two times per year, once each semester. Returning students present at the end of each year. The purposes of portfolio presentations include developing student abilities in achievement, reflection, and presentation as well as to display student progress to family members and the Thurgood Marshall Academy community.

Thurgood Marshall Academy students must complete 1.0 credit of portfolio in order to graduate. Students complete .25 credits of portfolio each year at each grade level. New tenth grade students complete .25 credits at the end of first semester and .25 credits at the end of second semester. New eleventh grade students complete .25 credits at the end of first semester, .25 credits at the end of second semester junior year, .25 credits in the fall of senior year, and .25 credits in the spring of senior year.

Student Schedules

Students receive course request forms in the spring of each school year along with the Course Catalog. This is the student's opportunity to select courses for the following school year. Student schedules are created based on student's graduation needs and academic abilities. Students in the senior year have priority for course scheduling.

Each year a course add/drop period is offered for student schedule changes. To request a schedule change, the student must complete the Schedule Change Request Form in the main office and submit during the add/drop period. All requests will be reviewed, but a request does not guarantee a change in schedule. Requests to change teachers will not be honored. **No schedule changes will be considered after the add/drop period.**

Student Uniform Policy

Thurgood Marshall Academy's Daily Uniform Code

Students are required to wear a school uniform each day. TMA will provide one TMA polo shirt and one outer; additional shirts and outerwear can be purchased from RISSE Brothers. During cold weather months, students may only wear the provided Thurgood Marshall Academy uniform sweater or fleece. Financial assistance for uniform purchases is available.

Students who do not come to school dressed in the school uniform will be offered a loaner uniform. If a student refuses to use the loaner uniform, students will have the option to retrieve their own personal uniform from home, someone can bring their uniform to school for them, or they may borrow a uniform from the school. It is the student's responsibility to enter the school building in proper uniform daily.

Loaner items must be returned at the end of the day on the same day it was borrowed or within the time frame agreed upon. Students will be billed for all unreturned items at a reduced rate. In the event a loaner item is offered and the student refuses or chooses not to use the loaner item and remains out of compliance, s/he will be sent to ISS.

Students who do not have alternative clothing in their possession that meets the school's uniform guidelines and are unable to find suitable loaner clothing to get into proper uniform, will be sent to sit in In-School-Suspension for the day.

For events which require students to be dressed in professional dress (e.g. Law Day, field trip requiring professional dress) students must abide by the Professional Dress guidelines outlined in this section. Students who are not compliant with the Professional Dress will not be able to participate in the activity and will be sent home for the remainder of the day.

Thurgood Marshall Academy's Daily Uniform Code

- TMA logoed polo (In the event of cold weather students may wear a long sleeved t-shirt underneath or thermal)
- Tan khaki pants
- Face Mask (required)
- TMA ID
- Closed toed and heeled shoes
- TMA logoed or TMA Swag outwear (if cold)

Please note that students should refrain from wearing the following in the building:

- Hats, skull caps, sunglasses, ski masks, shower caps, sun visors, bandanas, bonnets, and any other head apparel are not to be worn and must be kept in student lockers during the

school day. These items may never be worn in the school building during the day and should be removed upon entering the building.

- Exceptions are made for religious/cultural head wraps. Please work with the grade-level dean and/or another member of the Administrative team so we can properly accommodate your student's religious needs.
- Cut-offs, shorts, skorts, crop, sweatpants, denim, cargo pants, and capri pants are not allowed during the school year.

Attendance Policy

Because daily attendance is vital to success in school, it is very important that students are present and on time every day of school, for the entire day. Thurgood Marshall Academy is a significant time commitment, but by enrolling, students have pledged to accept our extended hours, and families have agreed to support students in this endeavor.

Our school day begins at 8:45 am and ends at 3:30 pm.

Students who are absent from school are not permitted to:

1. Be on school property
2. Participate in school activities
3. Attend school activities and/or after school activities

Late Arrival

If a student is not present and on screen for advisory by 8:45 am, that student is considered tardy.

Tardy Policy

The following procedures apply if a student is tardy (not in the classroom by the starting time of the period) to any class:

- (1) If a student is late to class and does not have a pass, s/he may not be admitted to class. Students must report to the security desk to obtain an unexcused tardy pass.
- (2) If a student is in the hallway without a pass 10 minutes after the beginning of any period or lunch, the student is considered to be skipping class and will be escorted to class.

Excused Absences

- Death in the student's immediate family (verification required);
- Illness of the student (a doctor's certificate is required for a student absent more than two consecutive days);
- Observance of a religious holiday;
- Out-of-School Suspension or In-School Suspension;
- Medical reasons such as a doctor's appointment (a doctor's note should be provided when the student returns to school);
- Other absences approved **in advance** by the Thurgood Marshall Academy administration upon the written request of a parent/guardian;

Student employment or related absences are *not* excused absences.

Documenting an Excused Absence

When a student returns to school after an absence, s/he should email a completed Request to Excuse Student Absence Form along with any supporting documentation to our Attendance Officer. The note should include the date(s) of the absence, the reason for the absence, and any required documentation. ***An original doctor's certificate should be provided for medical appointments scheduled during the school day or absences due to illness totaling three or more days.*** Any student who is absent 10 or more days, unexcused, is defined as chronically truant. Thurgood Marshall Academy follows the District of Columbia policy for reporting chronically truant students to court social services or the Child and Family Services Agency (CFSA).

IT IS THE STUDENT'S RESPONSIBILITY TO OBTAIN MAKE-UP WORK FROM TEACHERS.

Truancy

Truancy is the willful absence from school by a minor (5–18 years of age) with or without parental approval, knowledge, or consent.

A truant is a minor (5–18 years of age) who, without a valid reason and with or without parental knowledge or consent, does not attend school. A student is considered chronically truant when he or she accumulates 10 or more unexcused absences in one school year. Students between the ages of 14 and 18 who accumulate 15 or more absences will be referred to DC Court Services for truancy. Students under the age of 14 will be reported to CFSA, per District of Columbia policy.

Truancy Enforcement

All uniformed law enforcement officers in the District are responsible for truancy enforcement.

- If a truant is picked up by the police, s/he will be transported in a police vehicle to the school.
- Parents/guardians are notified of the student's truancy status.
- Parents/guardians and students may be required to attend a truancy conference.

Consequences of Poor School Attendance

Missing school may result in:

- 1) Poor work habits
- 2) Lower grades/loss of credit
- 3) Frustration in learning
- 4) Dropping out of school

Student Responsibilities

- 1) Arrive on time to school each day;
- 2) Attend all classes daily;
- 3) Assume responsibility for behavior which supports regular attendance;
- 4) Come to school each day ready to learn and prepared with all required materials.

Consequences of Absences

We understand that children get sick and that emergencies come up, but good attendance is critical to their education. Please be aware that the following are part of the Thurgood Marshall Academy attendance policy:

- If a student has 20 or more unexcused absences (consecutive), s/he may be administratively un-enrolled after documented notice to the family of such a withdrawal.

- If a student has 15 or more unexcused absences (consecutive or non-consecutive), we will make a referral to Court Services (students 14 – 18 years of age).
- **Students who are un-enrolled will not be eligible to return to Thurgood Marshall Academy for the school year in which they were un-enrolled. If an un-enrolled student wants to return to Thurgood Marshall Academy for the next school year, s/he will need to reapply through the normal admissions process. Information about the admissions process will be available on the school's website.**

Thurgood Marshall Academy Gym Facility and Physical Education Program

Thurgood Marshall Academy PCHS includes a state-of-the-art facility for student use in the Physical Education program and Athletic program. All students are required to complete 1.0 credits of physical education to meet graduation requirements. Students must meet the athletic eligibility guidelines to participate in school sponsored athletics. The school has established guidelines and policies guiding the use of the gym facility and physical education classes to ensure the safety of all students and faculty/staff. These guidelines are subject to change.

Injuries

All injuries sustained in Physical Education (PE) class should be immediately reported to the teacher so that proper action can be taken. Horseplay during class, in the locker room, or in any other facility is discouraged. .

Medical Excuse

Students in physical education class may be excused from participating in class because of illness or injury up to three days per semester by written note from parent, guardian, or the school nurse stipulating the number of days. Students will still be required to dress for class (unless the medical situation prohibits the changing of clothes). Additionally, students will be required to participate in activities that do not interfere with their medical situation when possible or complete alternative tasks or activities when injury prohibits participating in class activities.

For more than **three days** of not participating due to illness, students are required to have a note from their doctor. These notes should be presented to the PE teacher and the school nurse. The teacher will make arrangements for the student to complete alternative Physical Education assignments.

Physical Education Locker Room Rules

Students in PE classes are assigned a locker for personal use at the beginning of the semester. Students are highly encouraged to use their lockers to store belongings during PE class. Students should not share their combinations with other students. Additionally, students should not share their locker with other students. Thurgood Marshall Academy will not be responsible for items lost or stolen in the locker rooms. The following are locker room procedures:

- Students are to enter the locker room and take no more than five minutes to change into PE uniform.

If items are missing from a student's PE locker, s/he should report the incident to the PE teacher immediately. Please be advised that student lockers are cleaned out within one week of the end of the semester and/or season. Students are responsible for removing all items from their locker. Items found in a student's locker after the time frame designated will be discarded

Physical Education Dress Requirement

Students enrolled in PE class are required to wear appropriate PE attire. Students are expected to dress for class even when they are limited from participating physically (unless permanent or temporary handicap makes it impossible).

No jewelry should be worn during class since it can pose a safety hazard.

Fitness Room

Athletic center occupants must observe city and school pandemic response policies (such as wearing masks and answering health screenings).

All PE students will be trained on the use of equipment in the Fitness Room. Students are not allowed in the fitness room unsupervised. Abuse, destruction, or misuse of equipment is discouraged. Supplemental & Out of School Time Programs

Thurgood Marshall Academy offers a number of supplemental programs to enrich and enhance student learning. These programs include: Law Day, mentoring, tutoring, educational field trips, clubs, sports and other after school programs.

Homework Help

Homework Help is Thurgood Marshall Academy’s after school study space designed to provide all students with the resources they need to understand and complete their homework. Monday through Friday, Homework Help offers students one-on-one tutoring, access to Thurgood Marshall Academy faculty, a chance to work collaboratively with other students, and a quiet space to complete their homework. The programs department will provide a snack for all Homework Help participants who are productively working. Tutors include Thurgood Marshall Academy faculty/staff and trained students from The George Washington University, Georgetown University, and Howard University. Tutoring is supervised by Programs staff.

Athletics

Students must have a minimum GPA of 2.0 and meet the other requirements listed in the *Eligibility Requirements for Students* to participate in Thurgood Marshall Academy’s Athletics programs located in the Appendix.

Clubs

Thurgood Marshall Academy sponsors a variety of clubs through which students can explore areas of interest and gain leadership skills outside of the classroom. Clubs are coordinated by the programs department staff, but may be initiated by students, faculty/staff, or external organizations. Club offerings each year vary based on interest and funding.

Law Day (REQUIRED for 9th grade)

Law Day is a half-day program designed to familiarize ninth grade students with the US legal system through mock trials, round table discussions, and interactive case studies. One Friday afternoon each month, the 9th grade will travel to three local law firms to explore basic legal principles under the instruction of trained attorneys. Students are required to wear professional dress as outlined in the student handbook.

Howard Law Academy (REQUIRED for 10th grade)

Thurgood Marshall Academy and Howard University School of Law partner to provide half-day programming created to encourage the 10th grade students to see how law is present in their everyday lives. Further, it helps our students find their voice and gain the tools necessary to

=====

navigate our democratic society. Twice each semester, the tenth grade will travel to Howard University's School of Law campus to engage in programming taught by law students and professors. This program helps students understand the requirements and steps needed to get from an undergraduate institution to a job at a law firm.

Law Firm Tutoring (REQUIRED for 11th grade)

Every other Tuesday (5:00 pm–6:00 pm), 11th grade students travel to Thurgood Marshall Academy's partner law firms to complete their homework with the assistance of legal professionals including attorneys, paralegals, and staff. Students will earn .25 credits for the year for successfully completing the law firm tutoring program. The class will be graded pass/fail and grades will be based on attendance, student preparedness, and willingness to participate. Tutors at law firms work one-on-one with students to prepare for tests, complete projects, and discuss college/career goals. Dinner is provided for all students at the law firms. Students and tutors are supervised by Thurgood Marshall Academy faculty/staff members.

Mentor Program (OPTIONAL for 10th and 11th grade)

Participating students are paired with professional adults who can offer support, advice, and guidance during their final years of high school and the critical post-secondary planning process. Students and mentors attend monthly Mentor Days (one Saturday a month, 12:30 am–2:30 pm), maintain weekly phone/e-mail contact, and arrange one additional outing a month. Past Mentor Day activities included bowling, museum scavenger hunts, college campus visits, and community service projects. All mentors are thoroughly trained, screened, and supported by Programs staff. The Mentor Program has helped students perform better in school, engage in more extracurricular activities, and gain another support system. Students are eligible to earn community service hours for participation.

The Thurgood Marshall Academy Code of Conduct applies to all school sanctioned after school activities both on and off campus including but not limited to athletic competitions, Law Firm Tutoring, community service projects, club meetings and trips, and special events.

Thurgood Marshall Academy Code of Conduct

The TMA Code of Conduct has been created to help you learn about and navigate the expectations of Thurgood Marshall Academy. Students please read this section carefully with your parents and parents please read carefully with your child in order to understand what is expected as a Thurgood Marshall Academy Warrior.

TMA will help you to identify, learn, and practice many of the skills that will be needed to accomplish the goal that Thurgood Marshall Academy has set for each student: to graduate from Thurgood Marshall Academy with the skills to be a successful college student and citizen. As a student you will be taught how to communicate, advocate, and negotiate through our community. Most importantly students will be taught and encouraged to accept accountability for their actions by utilizing the Thurgood Marshall Academy Behavior Management System.

The Thurgood Marshall Academy Public Charter High School Behavior Management System is designed to reinforce positive social skills to students in order to have a thriving and safe school community. Students support the foundation of a positive school climate by doing modeling actions including being respectful e towards themselves and others, appropriate language, and a willingness to learn in the classroom. While we greatly encourage our students to socialize with their peers and create positive and healthy relationships within our community, it is also important for students to realize the importance of taking their academic and community responsibilities seriously.

The primary objectives of the disciplinary system at Thurgood Marshall Academy are to support a quality learning environment and instill a sense of responsibility and self-discipline in all Thurgood Marshall Academy students.

A full description of the Thurgood Marshall Academy Code of Conduct is provided in order to give students and families a clear understanding of the expectations of students and the consequences of failing to meet these expectations. Students are expected to comply with the Code of Conduct at all times while under the jurisdiction of Thurgood Marshall Academy, including all activities during the school day, all supplemental programs, all extracurricular activities, and all school functions both on- and off-campus.

Guiding Principles of Good Citizenship

Throughout the year, the following principles will be emphasized:

- Character is defined by what one does; not what one says or believes.
- Every choice a student makes helps define the kind of person one is.
- Good character requires doing the right thing, even when it is costly, unpopular, or when no one is watching.

- What one does matters, and one person can make a difference.
- The payoff for good character is that it makes one a better person and it makes the world and our school community a better place.

Character Matters

The faculty and staff will promote and recognize good citizenship, and students will receive “merits” and other incentives for demonstrating positive character traits, such as:

Responsibility	Fairness/Justice	Citizenship	Perseverance
Respect	Diligence	Punctuality	Courage
Trustworthiness	Integrity	Compassion	Initiative

Thurgood Marshall Academy’s Expectations for Student Behavior

At all times, students are expected to:

- Be respectful to staff and other students;
- Treat school property with care and respect;
- Follow directives given by faculty and staff the first time;
- Use appropriate language;
- Dress appropriately in the Thurgood Marshall Academy school uniform;
- Avoid disruptive behavior in the classroom or common areas;
- Refrain from eating and drinking in classrooms or common areas;
- Avoid horseplay; and

Failure to adhere to these expectations may result in an automatic detention. Please see the explanation of infractions below.

Merits

Students may earn merits throughout the year. Merits are awarded by the TMA faculty and staff for positive behaviors that demonstrate model citizenship. For each merit a student earns, s/he will receive a reduction of one infraction.

- Most merits fall under the driving principles of Community, Diversity, Democracy, and Excellence. Students can also earn merits for other things that do not fall under these principles that an adult member of the community feels is merit worthy. (Below are some examples: Helping with the cleanliness of our community, assisting a peer/adult, returning a lost item, standing up for a peer who is being bullied, showing improvement in attendance or behavior, showing academic growth, using one's voice to make change for the community, advocating for an injustice of self and others, etc.)

- Merits can also be used to encourage participation in activities such as Homework Help, mentoring programs, etc. They can be used to encourage students to meet designated goals and targets (e.g. submitting a form, attendance goal, gpa goal, incentive etc.)
- There are no exhaustive qualifiers for merits as it can be used to incentivize most positive actions at TMA.

Code of Conduct Violations

Violations of the Code of Conduct are accompanied by discipline infraction points.

1. A detention is equal to **one (1)** infraction point.
2. An In-School Suspension is equal to **three (3)** infraction points.
3. An Out-of-School Suspension is equal to **four (4)** infraction points.

Along with earning merits, students may be required, or may opt, to attend discipline classes after school, on a Saturday, and/or during the summer to reduce infraction points. To be promoted to the next grade, students must complete the school year with **fewer than 20** infraction points.

Below are some examples of actions that might lead to different levels of infraction and the possible consequences. Please note that this list is not exhaustive and TMA has the right to assign a category and consequences for violations that are egregious towards our school community.

Those who choose not to comply will receive consequences commensurate with the Code of Conduct violation of which they have been accused.

Bullying, Sexual Harassment, Cyber Bullying, Threatening, Fighting or Promotion of Fighting or other Violent Behavior

In the interest of preserving the safety of the students and staff at Thurgood Marshall Academy, the school has a clear anti-violence policy. Harassing, threatening bullying, cyber-bullying, and promoting fighting or other violent behavior, and fighting are taken very seriously.

Bullying, intimidation, or harassment is defined as any severe, persistent, or pervasive **physical, electronic, or verbal conduct**, including but not limited to harassment based on a student's actual or perceived race, color, ethnicity, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity/expression, genetic information, disability, or any other distinguishing characteristic, or based on association with a person or group with any of the actual or perceived characteristics listed above.

It is directed toward a student(s) that has or can be reasonably predicted to have the effect of one or more of the following:

- Placing the student(s) in reasonable fear of physical harm to the student's person or property;
- Causing a substantially detrimental effect on the student's physical or mental health;
- Substantially interfering with the student's academic performance; or
- Substantially interfering with the student's ability to participate in or benefit from the services, activities, or privileges provided by a school.

Sexual harassment is defined as, but not limited to verbal or nonverbal unwelcomed sexual advances or sexual behavior that substantially interferes with a student's education, or creates an intimidating or hostile environment. Sexual harassment is prohibited at Thurgood Marshall Academy.

Cyber bullying is defined as the use of information and communication technology to bully, embarrass, threaten, or harass another. It also includes the use of information and communication technology to engage in conduct or behavior that is derogatory, defamatory, degrading, illegal, and/or abusive.

The use of cell phones and other technology—including computers, e-mail and social networking sites—to harass, bully, threaten or defame a student or employee is specifically prohibited. Any student who feels s/he is a victim of cyberbullying should report the incident to his or her Divisional Dean.

Any student found complicit in the posting, sending, or execution of such material will be subject to disciplinary action as defined in the Thurgood Marshall Academy Code of Conduct.

Threatening behavior is defined as an expressed or implied threat (verbally, physically, electronically, or in writing) to interfere with: 1) the health or safety of any individual associated with Thurgood Marshall Academy; 2) with Thurgood Marshall Academy property; or 3) property on Thurgood Marshall Academy premises belonging to others. Any student who engages in threatening behavior will be subject to serious disciplinary action, including suspension and/or expulsion.

Threat/False Threat - No student shall make any threat through written or verbal language, sign, or act which conveys a serious expression of intent to cause harm or violence. Furthermore, no student shall make a false threat of harm or violence, even jokingly, which causes or is reasonably likely to cause fear or a disruption to school activities. All threats and false threats will be subject to serious disciplinary action.

Promoting fighting or other violent behavior is defined as the use of passive or active: resistance, noise, threat, fear, intimidation, coercion, force, violence, recording devices, social media, electronic devices, or any other form of conduct that causes the disruption of any lawful function, mission, or process of the school.

Fighting is defined as the exertion of physical force to harm someone or potentially harm someone. Fighting is one of the most egregious violations of the Code of Conduct. If a student engages in a fight, s/he is subject to serious consequences, including expulsion.

Unless the administration determines, without doubt, that any participant in a physical altercation is clearly defending himself/herself from an aggressor or aggressors and had no other option as determined by using a —reasonable standard, then the physical altercation will be considered a fight in which all parties share equal responsibility.

All of the above mentioned behaviors are Category III violations and may be subject to expulsion.

Instead of threatening or fighting someone, there are a number of ways that a conflict can be resolved. For example:

- Inform your Dean, a security guard, your advisor, a favorite teacher, or any other adult in the building and seek out conflict resolution.
- Walk away from a situation that appears to be escalating, then seek out assistance.
- Count to 10 and take deep breaths until you get your emotions under control.
- If you have difficulty managing your anger, you could meet with the school counselor. • Request mediation between you and the other person with whom you have an issue.

These are just a few suggestions that enable a potentially violent situation from escalating.

Consequences:

Restorative Practices

When applicable, TMA may use the Restorative Practice method when assigning consequences to students. A restorative pathway is a pathway that repairs the harm that has been done to the community through one's negative behavior or interactions. The responsible administrator/dean will determine if the restorative disposition will be in addition to an already assigned consequence or in lieu of a more severe consequence.

Peer Court

Peer Court is an alternative school disciplinary process permitting students to render restorative dispositions to their peers for minor school violations. It is the role of Peer Court to teach fellow students that their behavior has harmed specific individuals and the community. TMA will utilize this option when appropriate as a means of repairing the harm done to the community. Students have the right to opt out of Peer Court. When a student chooses not to participate in this restorative practice, regular consequences as per the Code of Conduct will be imposed.

Detentions

Detentions are held daily after school for 40 minutes. Students will report to the designated room within five minutes of being dismissed at the end of the school day. A detention list will also be posted each day in a consistent, common location for student reference. An automated message will also be used to communicate to parents of students who are on the detention list and when they should serve their detention. Each detention is equal to one infraction point.

A student who fails to serve a detention will be reassigned once to serve that detention. Once the detention has been reassigned the detention now becomes mandatory. All mandatory detentions will be highlighted in gray on the detention list. If s/he does not serve this detention, s/he may receive additional consequences.

Students who do not comply with the rules of detention may be asked to leave. Students who have been asked to leave will serve an In-School-Suspension or Out-of-School Suspension as warranted by the behavior.

Suspension:

In-School Suspensions

During an In-School Suspension (ISS), the student remains in school but is not permitted contact with other students, in order to provide the opportunity for individual behavior modification. ISS is assigned by the Divisional Dean or a school Administrator and may last from one to three days. Each ISS assignment is equal to three infraction points. While in ISS, students will not be allowed to participate in any school activities but will have access to education materials and are expected to complete their missed work for the day as well as an ISS work packet. Failure to complete ISS work or to follow ISS rules will result in additional ISS days, accumulating additional infraction points and/or Out-of-School Suspension.

After a total of four ISS assignments, students will be assigned an Out-of-School Suspension for each Category II or III violation of the Code of Conduct for the rest of the semester if the infraction warrants an ISS, with the exception of Category II violation of skipping detention.

Out-of-School Suspension

Out-of-School Suspension (OSS) is reserved for our most serious violations of the School Code of Conduct and involves separation from the school and all school activities for a specified period of time, which is determined by the Divisional Dean, Head of School, or Executive Director. Each OSS assignment is equal to four infraction points. The primary intent is to keep our community safe and also impress upon the student and parent/guardian that a serious behavior problem exists and that steps must be taken to ensure that the behavior is not repeated.

Before a student is suspended, an informal conference will be held that will include the following:

- Oral or written notice of the Code of Conduct violation for which the suspension is considered
- An explanation of the evidence or facts for the suspension
- An opportunity for the student to tell his/her side of the story
- If a suspension is given, the reason for the suspension

If a student is suspended, the following steps will be taken:

1. The parent/guardian will be contacted by the Divisional Dean or another school administrator and will be asked to pick up the student as soon as possible or to grant permission to send the student home. The Student Affairs Office will inform the student

and his or her parent/guardian of the length of suspension and applicable procedures regarding the suspension.

2. Thurgood Marshall Academy will send a written notice of suspension, which will include an offer to meet with the parents as soon as possible and the date for a conference of readmission to the parent/guardian, if requested by the school or parent. The notice will be given to the student if the student is 18 or older. The notice may be sent home with the student who is under 18 years of age once the parent/guardian has been notified of the suspension by a school administrator via phone and/or in person.
3. The student and parent/guardian may be asked to meet with the school administrators or and/or the Divisional Dean and other appropriate staff before the student will be allowed to return to school. During this meeting a student may be placed on disciplinary probation and/or a behavioral contract. If a student is already on a behavior contract, the student's status at Thurgood Marshall Academy will be evaluated.
4. When a student is serving an OSS, s/he may not be on school grounds before school, during the school day, or after school.

A manifestation determination meeting will be held for any student with an IEP per IDEA guidelines.

Special Notes of Concern Regarding Counting Suspension Days

Suspension days shall be counted as follows:

- The day the student left school should be counted as a part of the suspension, provided he/she was denied class participation before 12 noon of that day.
- The suspension shall terminate at midnight on the day listed as the last day of suspension.
- Times when school is not officially scheduled are not to be counted as part of the suspension time. (Should school be cancelled for any reason during a scheduled suspension day, the suspension will lengthen to include the time school was actually in session.)

Make Up Work for Suspension

Students who are suspended shall be offered make-up work assignments and may receive help on assignments by contacting the teacher via email or calling the teacher before or after school. Reasonable efforts will be made to provide the work for the student, but it is the responsibility of the parent/guardian to contact the school and make arrangements for the receipt and return of all assignments. In the case of long-term suspensions, unless other arrangements are made, teachers are to give work in two-week increments, and students must complete and return work before receiving additional work. In high school, credits may be awarded depending on the quality of the work.

Participation at School and School Related Activities During Suspension

Students who have been suspended from school shall not be eligible to participate in any school functions for the entire period of their suspension.

Disciplinary Probation

A student who has committed repeated violations of the Code of Conduct or a major violation of the Code of Conduct may be placed on disciplinary probation. Prior to the imposition of disciplinary probation, Thurgood Marshall Academy will provide the student and his/her parents with an opportunity for an informal conference as in the case of suspension, above. If placed on disciplinary probation, the student and his/her parent/guardian will be notified in writing that the student has violated school policy and that future violations will incur more stringent disciplinary action, up to and including expulsion from Thurgood Marshall Academy.

If, while on Disciplinary Probation or a Final Probation contract, a student violates another major school policy, s/he may be expelled. Each violation is treated on a case-by-case basis.

The length of disciplinary probation and its conditions will be determined individually for each student by the Administration. **Probation is a serious status with severe consequences. Students can be expelled for violations of disciplinary probation and behavior contracts.**

A student's Dean will make reasonable attempts (three phone calls or written communications or email or any other form of contact) to contact a parent/guardian regarding a student's Disciplinary Probation status. **If a parent fails to communicate and/or refuses to sign a contract, the contract shall be enacted.** A final copy of the contract will be provided to the parent/guardian.

Steps in Disciplinary Probation:

- **Step 1:** After a student is placed on disciplinary probation, s/he will be required to attend a conference with the Divisional Dean and/or another member of the Administrative team and his/her parent/guardian. During this conference a Disciplinary Probation contract will be signed stating behavioral goals and/or a timeline for meeting behavioral goals (e.g. no ISS or OSS and fewer than three detentions). ○ If a student *meets* the stated expectations of the Disciplinary Probation s/he will be reviewed by their Divisional Dean and/or Administration at which point s/he may be removed from Disciplinary Probation.
 - If a student *fails to meet* the state goals of the Disciplinary Probation contract will result in further action which may include a Final Probation contract or expulsion from Thurgood Marshall Academy.
- **Step 2:** If the student violates Disciplinary Probation, s/he may be placed on a Final Probation Contract, if the violation does not warrant expulsion. This contract is a serious document that makes clear that repeated minor or major violations of the Code of Conduct could result in expulsion from Thurgood Marshall Academy. ○ If a student *meets* the stated expectations of

the Final Probation contract, s/he will be reviewed by their Divisional Dean and/or Administration at which point s/he will be placed on Disciplinary Probation.

- If a student *fails to meet* the stated goals of the Final Probation contract s/he will come before a Disciplinary Hearing which will review the student's behavior to date and make necessary recommendations which could result in expulsion from Thurgood Marshall Academy.

Expulsion

Students may be expelled for:

- Extreme violations of the Code of Conduct that significantly harm the educational environment of Thurgood Marshall Academy or harm the safety or security of Thurgood Marshall Academy students, staff, faculty, or others associated with Thurgood Marshall Academy.
- Any Category III violation.
- Repeated violations of the Code of Conduct after appropriate remediation have been attempted.
- Violation of Disciplinary Probation or a Final Probation Contract. ● Violations of the federal Gun Free School Act.

Discipline Due Process

The decision to suspend a student shall be made by a school administrator (e.g. Dean, Director of Student Affairs, Head of School, Executive Director) without the recommendation of the student's teacher or other staff. The administrator issuing the suspension will determine the number of days for suspension based on the severity of the infraction and previous infractions. The suspension shall become effective immediately unless otherwise stated by the administrator issuing the suspension. See special notes regarding Counting Suspension Days.

Prior to making the recommendation for expulsion, the administrator may elect to hold a meeting with the student, family and any other advocates to determine if there is an appropriate restorative option available as a consequence. The decision to convene such a meeting is the sole discretion of the administrator, but a family may request consideration for such a meeting.

The decision to recommend a student for expulsion shall be made by the student's Dean, Director of Student Affairs, Head of School, or Executive Director without the recommendation of the student's teacher or other staff. In recommending expulsion, the administrator will consider the severity of the infraction, the Code of Conduct, the student's previous infractions, any student Discipline contracts, and the student's age. A student recommended for an expulsion will have a Disciplinary Review Meeting to review the recommendation. The individuals from the school participating in the Discipline Review Meeting will make a final decision as to the student's expulsion.

When a student commits an offense that is eligible for a long-term suspension or expulsion an investigation into the offense shall be conducted by a Dean, or another school administrator. A student may be suspended during the investigation with further consequences issued after the full investigation is completed. The investigation shall include:

- Notifying the student of the infraction(s)
- Collecting information from the student and other persons who have knowledge of the incident
- Allowing the students involved an opportunity to provide a statement or explanation of the incident

The Dean or administrator conducting the investigation will determine the accuracy of the infractions(s) based on this information.

Students for whom long-term suspension (more than 6 days) or expulsion is being considered will be given notice and an opportunity to be heard in the form of a Discipline Review Meeting before a final decision regarding long-term suspension or expulsion is made. For students facing suspension of less than 6 days, prior to issuing the suspension the Dean, or other administrator, will meet with the student, notify the student of what he/she is accused of doing and the information that the school has to believe that the student engaged in such behavior, and give the student an opportunity to present his/her side of the story or explanation for his/her behavior. After this meeting, the Dean or other school administrator will issue written notice to the parent detailing the length of and reason for the suspension. If the student is 18 or older the notice will be issued to the student. The Dean or other school administrator may notify the parent/guardian of the suspension via phone or email in addition to providing written notification. Written notification may be given to the student if he/she is under 18 when the parent/guardian is notified by phone/email of the suspension.

For students facing suspension of 6 days or more, including expulsion, a Dean or another school administrator will meet with the student, notify the student of what he/she is accused of doing and the information that the school has to believe that the student engaged in such behavior, and give the student an opportunity to present his/her side of the story or explanation for his/her behavior. If necessary, the Dean or other administrator will conduct an investigation into the circumstances of the student's behavior and any explanation provided by the student. At the Dean's or other administrator's discretion, the student may be suspended pending the results of this investigation and recommendation for further disciplinary action from the Dean or other administrator. This investigation will be completed within 3 business days and, if necessary, a Discipline Hearing will be scheduled after the completion of the investigation.

After the meeting with the student and any investigation, the Dean, or other administrator, will issue written notice to the parent with a recommendation for long term suspension or expulsion and the reason for this recommendation. This notice will explain the information that is being relied on as a basis for the recommendation. If the student is 18 or older, the notice will be issued to the student. The Dean or other school administrator may notify the parent/guardian of the

=====

suspension/expulsion via phone or email in addition to providing written notification. Written notification may be given to the student if he/she is under 18 when the parent/guardian is notified by phone/email of the suspension/expulsion. Any parent/guardian meetings may occur by phone.

Within 10 school days of the recommendation for long term suspension or expulsion, a Discipline Review Meeting will be held to make a final determination about the disciplinary action proposed.

Discipline Review Meeting

If a student is recommended for a Disciplinary Review Meeting, the following process will occur to review the recommendation for a long-term (6+ day suspension) or expulsion:

The members of the staff and faculty at the Discipline Review Meeting serve as an impartial decision making body. The meetings are closed to the public but students may have family, mentors and advocates attend. During the hearing, a school administrator(s) will carry out the following procedures:

1. A statement of the Code of Conduct violation and summary of the meeting procedure.
2. An explanation and review of the evidence or facts for which potential expulsion is being considered. If video footage is available of the incident, the panel will view the footage.
3. The student may present any information that he/she wants to the school to consider. The staff may ask questions regarding the matter to anyone present at the hearing. An advocate may speak on the student's behalf. The student has the right not to speak on his/her own behalf. Neither the school's representative at the hearing nor the student nor his/her representative(s) will be given the opportunity for cross-examination during the hearing.
4. Within one business day of the conclusion of the hearing, the staff present will make a determination regarding the consequence. The decision will be effective immediately.
5. The student/family will be informed of the decision via phone within 2 school days of the conclusion of the hearing and written notification will be mailed within three (3) school days of the decision. This notice will contain information regarding appeal procedures.
6. If a parent/guardian does not request a hearing, or fails to attend the hearing at the scheduled date, time, and place, the right to a hearing may be waived. Therefore, the school will proceed with its determination regarding the proposed infraction and the ruling of the Disciplinary Review Panel. The findings from the hearing will be approved and take effect immediately.

In making its decision, the staff will review evidence presented at the meeting, any statements heard on behalf of the school or student, the Thurgood Marshall Academy Code of Conduct, and prior conduct and/or academic performance, if applicable. When reaching a conclusion about the incident in question, the panel will consider whether the information presented is sufficient to proceed and recommend action. The panel will use a —more likely than not standard of proof when evaluating all of the information presented.

Discipline Appeal

Any student who is expelled or receives a long term suspension (more than 6 days) has the right to appeal the decision in writing to the Chairperson of Thurgood Marshall Academy's Board of Trustees within five (5) school days of the written notice of expulsion being issued. The following process shall be implemented for all appeals.

1. An appeal hearing date will be set within seven (7) school days of the receipt of the Appeal request.
2. The appeal hearing date will occur within thirty (30) calendar days from the date of the hearing being set.
3. Appeal hearings will be heard by three members of the Board of Trustees, the —Appeal Panel. A faculty/staff member with familiarity with the school may replace one of the Board of Trustees on the —Appeal Panel based on the discretion of the Board Chair.
4. The student may be represented by his/her parent/guardian and one additional advocate.
5. The student has the right to speak on his/her behalf at the Appeal Hearing. The student may choose not to speak at the Appeal Hearing.
6. The student may not return to Thurgood Marshall Academy and participate in school activities while an appeal is pending.
7. Appeal hearings are closed to the public.
8. If a parent/guardian fails to appear at the Appeal Hearing the right to appeal is waived, and the original disciplinary decision will stand.

In making its decision, the three-member Appeal Panel will:

1. Review all evidence, and documentation regarding the incident and the school's investigation;
2. Review any statements heard at the Discipline Review Meeting on behalf of the school or student;
3. Review the Thurgood Marshall Academy Code of Conduct;
4. The panel may ask questions regarding the matter to anyone present at the hearing. One advocate may speak on the student's behalf. The student has the right not to speak on his/her own behalf. Neither the school's representative at the hearing nor the student nor his/her representative(s) will be given the opportunity for cross-examination during the hearing.

If the expulsion is overturned, the cumulative record of the student and any other school maintained records will reflect that conclusion. If the Appeal Panel upholds the expulsion, the expulsion shall be imposed, and such decision will be final. Decisions made by the Appeal Panel will be final.

Special Notes Regarding Audio/Video Recording of Discipline Review Panels (DRP) and Appeal Hearings

All disciplinary hearings are closed to the public. As such, hearings may not be recorded using a video or audio recording device under any circumstances and may only be audio-recorded as required to provide accommodations by the Americans with Disabilities Act (ADA) or section 504 of the Rehabilitation Act. A written request must be made 48 hours prior to the hearing to audio-record the hearing to the student's Dean.

Participation at School and School Related Activities and Re-Enrollment

Students who have been expelled from Thurgood Marshall Academy shall not be eligible to participate or attend any school functions. Unless otherwise noted in the decision, students will not be eligible to re-enroll for a period of one full calendar year.

Procedures for Suspending and Expelling Students with Disabilities

Students with disabilities have the same behavior responsibilities as other students, and may be disciplined for the same behavioral offenses. In accordance with IDEA, if the student is recommended for a suspension that will result in the student being suspended for more than 10 days in the school year, a multidisciplinary team will hold a manifestation meeting to determine whether the incident was a manifestation of their disability. The school will call the family to schedule the meeting and provide documents in advance. If it is determined that the student's behavior is a manifestation of the student's disability, the student—absent extenuating circumstances as defined by IDEA—will be permitted to return to school, unless the team decides otherwise. If it is determined that the student's behavior is not a manifestation of his/her disability, the student's file will be reviewed to determine disciplinary action consistent with the policies outlined in this section (including suspension and expulsion as warranted). Students with disabilities who are suspended for more than 10 days in a school year will receive services in an interim educational setting for any subsequent days of suspension.

If you have questions about the process, you may contact the Special Education Coordinator at 202-563-6862. A copy of the procedural safeguards available to students with disabilities is available online at www.thurgoodmarshallacademy.org.

Thurgood Marshall Academy Academic Honor Code

The life of a Thurgood Marshall Academy PCHS student is based on the broad principle of honor; we at Thurgood Marshall Academy demand a high standard of honesty and conduct from each of our students.

Academic Dishonesty

Academic dishonesty is a corrosive force in academic life. It jeopardizes the quality of education, undermines the learning process, and devalues the genuine achievements of others. The school community—which includes teachers, staff, administration, parents, and students—will hold students to the highest standards of academic integrity and will not tolerate academic dishonesty in any form. Academic dishonesty includes, but is not limited to: copying from any other source including another student's work, from tests, class work, homework paper, texts, lab work, computer disks, web sites, or other electronic sources. Each of the following is an act of academic dishonesty; however, this is not an inclusive list.

A. Cheating

Cheating is defined as using dishonest methods to gain an advantage, which would include the use of all unauthorized materials, information or study aids in any academic exercise. The use of translation programs and websites as well as online dictionaries is prohibited by the Spanish Department.

B. Plagiarism

Plagiarism is defined as attempting to take credit for another's ideas, words, productions, or other intellectual property without appropriately crediting that individual.

C. Facilitating Academic Dishonesty

Facilitating Academic Dishonesty is knowingly helping or attempting to help another to commit an act of academic dishonesty.

Violations of the Academic Honor Code result in serious consequences which are divided into three levels, determined by the weight of the assignments and the potential premeditation of the student.

Level One: *First-time offenses* for the following violations are usually handled by the teacher in the classroom and reported to the student's Dean.

Level I violations include (but are not limited to):

- Copying homework or allowing another to copy one's homework
- Looking on another's test/quiz (—wandering eyes!)
- Working with others on a class work or homework assignment that was meant to be completed independently (including written, verbal, or technology-based assignments)
- Any form of verbal or non-verbal communication during a test/quiz

Consequences for a first-time Level I offense will include one or more of the following:

- The student will receive a call home
- The student will receive a zero on the assignment or teacher may choose to revise for lesser points
- The student will receive a detention which will incur one (1) infraction point
- The student will participate in a student/teacher conference
- The violation will be recorded in the student's conduct file
- The student may be required to complete a written assignment designed to enhance the student's understanding of the importance of academic integrity

A second Level I violation (even if it is an offense of a different type or in a different class) suggests a pattern of academic dishonesty; therefore, it will be considered a Level II violation.

Level Two: *First-time offenses* for the following violations are reported to the student's Dean. As an egregious act of academic dishonesty, specific consequences are handled by the administration with input from the faculty.

Level II violations include (but are not limited to):

- Plagiarizing from the Internet, written publications, or another student on a project, essay, or other major assignment
- Using an electronic translation program, website, or dictionary that has not been explicitly permitted by the teacher
- Using a —cheat sheet on a test, quiz, or other in-class assessment
- Using secretive methods of receiving or giving questions and/or answers on a test/quiz (including electronic transmission of information)
- Working with others on a test, quiz, project, or paper that was meant to be completed independently
- Using unauthorized materials on a take-home test or quiz
- Copying another's test/quiz or repeatedly allowing another to copy one's test/quiz
- Misrepresentation and/or falsification of academic information (including grades) verbally or in writing
- Second Level I violation

Consequences for a first-time Level II offense will include one or more of the following:

- The student will receive a zero on the assignment
- The student will receive three (3) infraction points
- The student will receive a referral and/or a restorative pathway
- The violation will result in parental notification and a parent conference will be offered
- The violation will be recorded in the student's conduct file

A second or subsequent Level II violation (even if it is an offense of a different type or in a different class) suggests a pattern of premeditated academic dishonesty; therefore, it will be considered a Level III violation.

Level Three: These offenses are the most extreme given that they violate more than the Academic Honor Code; they are injurious to the entire school community. Level III acts of academic dishonesty are considered Category III violations of the Thurgood Marshall Academy Code of Conduct.

Level III violations include (but are not limited to):

- Stealing a quiz, test, project, or exam from a member of the faculty, staff, or study buddy
- Distribution of a stolen test, project, quiz, or exam
- Altering grades in a grade book (paper or electronic) or on a computer database
- A second or subsequent Level II violation
- Chronic (defined as three or more) Level I violations

Consequences for a first-time Level III offense will include the following:

- The student will receive a failing course grade for the quarter
- The violation will be recorded in the student's conduct file
- The violation will result in parental notification and a parent conference will be offered
- The student will receive a dean referral and/or referred to a restorative pathway
- The student will receive four (4) infraction points
- The student will be referred for a discipline review

For Level II and Level III violations, the parent/guardian and the student will be offered a conference with the Dean and/or another member of the Administrative team regarding the violation and the penalty. If at any point the student feels that the measures taken are unjustified, s/he may that the matter be reviewed by an Honor Committee. The student, his or her parent/guardian, and the faculty member will each have the opportunity to present his or her case to the Honor Committee. The Honor Committee's decision may result in a recommendation for further disciplinary action, including long-term suspension or expulsion.

Disclosure of Infractions

Counselors, as well as Thurgood Marshall Academy faculty and staff, are ethically and legally obligated to respond to any question or statement regarding any infraction of the Thurgood Marshall Honor Code and the District of Columbia Public Schools System's Discipline Policy.

In the email, be sure to include your name, your child's name and your email address. Your username, password, and user instructions will be emailed to you upon receipt of all required information. Please keep the following notes in mind:

1. Each teacher computes his/her grades differently. For example, some teachers use a running point total while others use weighted percentages for computing grades. If you have questions about how a teacher's grades are computed, please contact the teacher directly.
2. Grades provide a convenient way to assess your child's progress in coursework but should not be taken as the final judgment of performance. We encourage you to use the grading information to begin conversations with your child about his/her progress.
3. Access to Infinite Campus can be suspended for any student/families carrying a balance greater than \$10.00 for more than two months. Families should work closely with the Operations Department to ensure that account balances are accurate. Thurgood Marshall Academy encourages individuals to discuss their concerns with appropriate school officials before resorting to a formal complaint. However, individuals are not required to do so before filing a formal complaint.

Thurgood Marshall Academy prohibits retaliation against individuals who file a complaint or participate in a complaint investigation.

A formal complaint may be filed by following the steps outlined below:

Step 1

Within 90 days of the alleged discrimination or harassment, written notice of the complaint must be filed with the individual designated above. Eligibility Requirements for Student Athletics

Athletics offer an opportunity for students to develop their skills and interests, build relationships with peers, and enhance their self-esteem. Thurgood Marshall Academy will offer teams in co-ed flag football, girls' volleyball, boys' and girls' basketball, co-ed track and field, and cheerleading. In order to participate, students must meet the standards below.

Thurgood Marshall Academy students are urged to study these standards carefully. Students themselves are responsible for compliance with these standards and must sign this form in order to participate. Additionally, this form must be signed by a parent or guardian and returned to the coach before try-outs begin.

Try-outs

Any Thurgood Marshall Academy student who wishes to participate in team sports for the 2017–2018 school year must try out. To learn more about individual team try-outs, students must attend the informational meeting of the sport in which they wish to participate. The coach will provide information about try-out times and sign-ups. Each student is responsible for being present at his/her designated try-out time.

Team Rules

Each coach will establish team-specific rules. Team rules will be distributed and discussed with participants at the informational meeting prior to the beginning of the competitive season. Students are expected to comply with team rules and might forfeit their eligibility through noncompliance.

Parent/Coach Preseason Meeting

Before the season begins, the coach will organize a meeting to provide parents with the following information:

- Philosophy of the coach
- Schedule and practice times

- Team requirements and rules
- Participant Code of Conduct

Academic Requirements

Students must maintain a GPA of 2.0 or higher. For the first quarter of the school year, eligibility will be based upon the **first progress report. From then on, eligibility will be re-evaluated after every progress report and report card.**

It is the **responsibility of the athlete to submit a copy of his/her progress report or report card to the coach within one week of its issuance.** Failure to do so will result in suspension from the team until the grades are submitted.

Grades recorded as —incomplete as a result of legally excused absences or a teacher’s failure to grade all student-work will be considered passing until changed. Incomplete grades must be made up within two weeks after report cards are distributed unless other arrangements have been made.

Attendance

Students must attend all scheduled classes on the day of an athletic practice or game to be eligible to participate in extracurricular activities on that day. Exceptions to this rule may be made with the approval of the Academic Director or Athletic Director prior to the date of participation. Appropriate exceptions could include doctor/dentist appoint or similar extenuating circumstances.

Unexcused absences and/or chronic tardiness to school may be sufficient reasons for declaring a student ineligible at any time. This will be determined on a case-by-case basis by the Deans, Athletic Director, coach, and parent/guardian.

Detention

Students who are issued a detention must report the detention to the coach. The coach will determine if any additional disciplinary action is necessary.

Suspension

Students issued an In-School Suspension (ISS) will not be able to participate in extracurricular activities on the day of their suspension. The coach may determine if the student is allowed to participate in the next practice or game following the day of suspension.

Students given an Out-of-School Suspension (OSS) will not be permitted to participate in extracurricular activities for the duration of their suspension. The coach may determine if the student is allowed to participate in the next practice or game after the suspension is completed.

Physical Exam/Health Insurance

Each year, Thurgood Marshall Academy athletes must submit a physical examination form signed by a medical examiner, a parent or guardian, and the Thurgood Marshall Academy student before beginning practice for a school sport. Physical examinations are valid for one year from the date of the exam. Athletes must also submit proof of health insurance to cover the period in which the student is involved in athletics and sign a Risk Release.

Age Requirement

Students who reach 19 years of age before September 1 of the current school year, will be ineligible to participate in Athletics.

Conduct

Thurgood Marshall Academy athletes are expected to take the responsibility and privilege of representing their school and community seriously, and must conform to the Thurgood Marshall Academy Code of Conduct while participating in interscholastic athletics.

If an athlete fails to conduct him/herself appropriately, s/he may be subject to ejection from a game. If an athlete is ejected, s/he will be ineligible to compete in all athletic events for the remainder of that day, as well as the next game.

If an athlete is ejected a second time in a season, s/he is subject to additional, stiffer penalties, including suspension from play for the remainder of the season.

Failure to meet behavior expectations in school may result in the student’s removal from the team (see *Detention* and *Suspension*).

Communication

There are situations that may require a meeting between the Athletic Director, coach, the athlete, and the parent/guardian. When these conferences are warranted, the following procedure should be followed to help resolve the concern:

- When appropriate, the athlete should first speak to the coach about his/her concern.
- If the coach-student meeting does not rectify the situation, the parent/guardian should be contacted to arrange a meeting.
- If the parent/guardian needs to discuss the issue further, the Athletic Director should be contacted.

Equipment/Uniforms

Student athletes are responsible for all school equipment and team uniforms checked out from the school during the sports season. All equipment/uniforms should be returned to the coach cleaned and in good condition within three days of the last game of the season. Athletes must pay to replace lost or damaged equipment or uniforms.

Use of Alcohol, Tobacco, and Illegal Drugs

The use of drugs, alcohol, or tobacco by an athlete during the season will result in disciplinary actions and possible dismissal from the team and school. At a minimum, any student with verified use, distribution, or possession of alcohol, tobacco, illegal drugs, or controlled substances on school property or at a school sanctioned event shall receive the disciplinary actions outlined in the Thurgood Marshall Academy Code of Conduct. Resumption of athletic activities will not resume until completion of the assigned consequence.

Detach and return this signed form to your coach.

- Use school facilities and equipment only for school related educational activities;
- Use the Internet only for activities related to school curriculum and expectations
- Adhere to copyright laws;
- Transmit material that is in compliance of school, local, state and federal laws and regulations;
- Use only personal user IDs or passwords, refrain from sharing those or using another student's or staff/faculty member's ID or password;
- Access only files, computers, applications, programs, and settings to which they have been granted access to by an authorize staff/faculty member;
- Use external storage devises with approval from faculty/staff;
- Store or use files or applications that are school related with staff/faculty approval;
- Use only school-approved software with licensing agreements;
- Adhere to class-specific guidelines as outlined by each classroom teacher; •
Not access the school network with a private computer or other device.

The use of TMA technologies is a privilege, not a right, and inappropriate use will result in cancellation of those privileges.

Students must have a parent/guardian signed Acceptable Use Agreement on file with Thurgood Marshall Academy to use any school technology.

Computers, Laptops, Netbooks, Tablets, and Other Similar Devices

Students will have access to the Computer Lab during lunch, advisory, and after school, when available. At the beginning of the year each student must sign a computer use agreement and adhere to the policies set forth by TMAPCHS.

The Internet is a useful tool and should be used as a resource. TMAPCHS will provide you with access to the Internet. The Internet is a powerful, worldwide computer network that can be used to send electronic mail and to view and display text as well as still and moving images. Internet technology changes constantly as well as the laws that surround it. As the Internet and laws change TMAPCHS's policy will also change.

Students will be given access to a personal account on TMANET (or a similar network as determined by the school's technology staff) which will allow them to store files securely. **THE USE OF THE TMANET IS A PRIVILEGE, NOT A RIGHT.** Inappropriate use will result in the cancellation of those privileges. The school administration has the right to define inappropriate use and their decision is final. The network administrators, faculty, and staff of TMAPCHS may request that school administrators deny, revoke, or suspend specific user accounts. The privilege of using TMAPCHS's network is based on the users' promise to adhere to the following appropriate use policy.

Student Log-ins

User IDs and passwords are keys to accessing data about you and your work for school. In the wrong hands, a user ID and password can be used to impersonate students online and take unauthorized action in a student's name. Except for authorized school system employees, it is against TMA policy for anyone to disclose their user ID and password.

1. Each student will be provided with a user account, which will enable access to school computers and to save information to the network.
2. Students will not share their log-in/password with others (do not write it down).
3. A generic password will be given initially. Students must change their passwords to prevent outside access to their account by others. Students should change their passwords often for security purposes.
4. Students should never allow anyone to use computer until they have completely logged- off. Students should never leave their computer unattended—always log-out first!
5. Students must notify the network administrator immediately if they suspect that their password has been compromised. Unless an administrator has been notified, a compromised password will not be accepted as an excuse for the violation of the acceptable use policy associated with your log-in.
6. Each student is responsible for all actions while logged-into the network.

Student Internet Safety and Technology Responsible Use Agreement

Educational Enhancement

- a. Internet access is being provided by TMA for the sole intent of educational enhancement.
- b. The Internet will be used strictly as a resource to enhance classroom instruction and high quality research; this means that the school reserves the right to monitor and place reasonable restrictions on the material accessed by students through the Internet.
- c. During class, before and after school, during lunch, during tutoring, and during advisory, students may use the Internet for class-related work under the supervision of an authorized adult for a class. The school's schedule, network downtime, or
