

**Meal Accommodations**  
**School Year 2023-24**

Thurgood Marshall Academy (TMA) requires that a new or updated dietary form be completed at the start of each school year for each qualifying student who attends!

You must submit a new dietary accommodation form if:

- Your student is new to TMA and require dietary accommodations, or
- There are changes to your current dietary accommodations form that is on file with the school.

Please note that all dietary accommodation forms submitted in 2022-23 will carry over.

TMA does not serve meals that contain pork, peanuts or tree nuts. Vegetarian meals are served in the school cafeteria each day. If your student requires vegetarian meals (will not contain meat, poultry, or fish but may contain dairy products), you do not need to complete a Dietary Accommodation form.

To request a dietary accommodation, please follow these steps:

**Step 1:** Complete a form for each TMA student in your household that needs dietary accommodation.

- Forms
  - Medical Dietary Accommodations Form (for medical accommodations such as food allergies. Requires medical provider's signature)
  - Milk Substitution & Philosophical Dietary Accommodations Form

**Step 2:** Submit the completed form to [nslp@tmapchs.org](mailto:nslp@tmapchs.org) (preferred), to your school cafeteria or by mail to: Operations Department  
% Nora Moore  
2427 Martin Luther King Jr. Avenue, SE  
Washington, DC 20020

**Step 3:** The nutrition team will contact you via email to confirm receipt of the form.

**Step 4:** Our school nurse will contact you by phone or email with any follow-up questions or to discuss the modified menu if necessary.

If your student has a severe or life-threatening food allergy, we also encourage you to work with the school to develop a Section 504 plan. Please contact the school directly or email [eroberts@tmapchs.org](mailto:eroberts@tmapchs.org).

Before completing a dietary accommodation request form, please note:

- Dietary accommodations are tracked via the school's unique student ID number. If your student transfers to another DCPS school during the school year or less than 4 weeks before the start of a new school year, the form does not need to be resubmitted to us, however, we strongly recommend that you alert us so accommodations can continue without interruption at your destination school. Please email us at [NSLP@tmapchs.org](mailto:NSLP@tmapchs.org).
- Forms must be complete before accommodations can be met, including parent/legal guardian signatures and licensed medical provider signatures (when applicable).
