A LETTER FROM MR. WEEDEN

As we approach the Thanksgiving holiday, we want to express our heartfelt gratitude for the privilege of working with your wonderful children. The joy and enthusiasm they bring to our school community each day inspire us, and we are truly thankful for the opportunity to contribute to their education and growth. Our collaboration with your families makes our school a vibrant and supportive learning environment; we are immensely grateful for that.

In the spirit of Thanksgiving, we would like to inform you that TMA will be closed from November 22nd to November 24th to observe the holiday. We hope this break allows you and your loved ones to enjoy quality time together, reflect on the blessings of the past year, and create lasting memories. Our school will reopen on November 27th, and we look forward to continuing the enriching education journey with your children.

We are wishing you and your families a joyful and restful Thanksgiving.

TMA REMINDERS

Please make sure your child is up to date with all of their immunizations, for 11th graders there will be an exclusions on 12/4/23. If you have any questions please contact Miss. Parker at tparker@tmapchs.org

Log into Infinite Campus Today

Remember, Progress Reports and Report Cards are available with your Infinite Campus Log-in. From the site, you can pull down past reports as well. Please take a moment to review your student's 1st Quarter grades and current progress before the Thanksgiving break with your child. We are eager to support them in class and with our afterschool support of Homework Help and Office Hours.

COMMUNITY CORNER

Anacostia's favorite, [Ran'D Shine](#), returns with an all-new holiday show!

Immersive, Surprising, Unexpected: "Evidence of Things Unseen" is an experience that uses magic as a metaphor. Audience members will experience an uncanny demonstration of sleight of hand and psychological illusions in a setting without smoke, no mirrors, just pure magic!
