

Public Charter High School

Warrior Weekly

December 1, 2023

.....

Dear Parents and Guardians,

We invite you to our Open House event on December 7th from 5 pm to 7 pm. This event is a valuable opportunity to engage with our school community, gain insights into your child's academic journey, and collaborate with teachers and staff.

Attending the Open House is not only a chance to connect with the school environment but also a crucial step in ensuring the success of your high school student. Here are a few compelling reasons why your presence at this event is highly encouraged.

Insight into Academic Progress: The Open House allows you to meet your child's teachers and gain insights into their academic progress. Understanding their strengths and areas needing improvement is vital for their success.

Effective Communication: Building a vital communication bridge between parents, teachers, and students is essential. Open House facilitates open conversations about your child's performance, goals, and any concerns you may have.

Supporting Extracurricular Activities: Many students are involved in extracurricular activities, and your attendance at the Open House shows your support for their commitment to these endeavors, whether it's sports, arts, or other clubs.

Networking with Other Parents: Connecting with other parents fosters a sense of community. Sharing experiences and advice can be valuable in navigating the challenges and joys of high school life.

Furthermore, December is one of the shortest academic months of the year. It presents a unique opportunity for students to catch up on missed assignments, makeup work, engage in

community service, or organize their academic and personal lives. Attending the Open House can be a reminder and encouragement for your child to make the most of this time.

We understand the demands on your schedule, but your participation in events like the Open House is an investment in your child's education. Your involvement demonstrates the importance you place on their academic journey and contributes significantly to their overall success.

We look forward to welcoming you on December 7th from 5 pm to 7 pm. Your active participation is appreciated and instrumental in creating a supportive and thriving high school community.

FAMILY SURVEY

You are the most important person in your child's life, and we want to ensure you have the opportunity to shape their school experience.

We're asking that you participate in our 15-minute survey to help our TMA improve our communication, academic programming, and overall experience for you and your child.

Click here to complete the survey by **December 8th**. You can also use this link: https://tntp.co1.qualtrics.com/jfe/form/SV_9YX3dzOOPoqem4m?LEA=ThurgoodMars hall

Families are a key element in a child's education experience. To us, your feedback is invaluable. The family survey is designed to help us understand your experiences with our school and gain insight into how we can engage with you more effectively. Our goal is to help our school engage you and your family in your child's learning. Together, we can create the best learning environment possible for your child.

Responses will be anonymous and only used to inform future family engagement strategies. Families should only complete one survey per student. If you have children at more than one school, please complete the survey for each school at which you have a child. If you have multiple children at one school, answer the questions with your eldest child in mind.

If you have any questions about the survey, please contact Raymond Weeden at rweeden@tmapchc.org. Thank. Thank you in advance for sharing your feedback. We value your input and look forward to working with you more closely to ensure a great learning experience for your child.

Warmly,
Raymond Weeden, Jr.
