[Remember to use the calendar to support your family's plan to help prevent students from missing school as much as possible.](#)

Delivering on our Mission

Succeed in College: Our seniors participated in the TMA gym on Wednesday's Instant Decision Day (IDD). IDD alleviates the pressure of applying to a college and waiting weeks — or even months — to hear back. Instant Decision Day was a collaboration between Thurgood Marshall Academy and Washington Latin. Twenty-seven colleges and universities were on site. After interviewing with the admission teams, the students were immediately told whether the school would extend an offer of admission.

80% of our senior class were accepted to one or more colleges, totaling over 150 acceptances!

Engage in our Democratic Society: Mikva Challenge's Project Soapbox was a huge success! All three government classes delivered powerful speeches to a mix of TMA Alum, Civic Partners, and Mikva staff. They were so powerful that we had difficulty deciding who made it to the City Wide Soapbox Event on December 13th!

We want to shout out our student participation in the City Wide Event!
