Warrior Weekly

March 22, 2024

Dear TMA Families,

I hope this email finds you well. I wanted to send a gentle reminder that the third quarter is swiftly coming to a close, and we will soon transition into the fourth quarter of the academic year. It's an opportune time to touch base with your child regarding their grades, portfolio, and community service commitments.

Here are a few points to consider:

Grades: Encourage your child to review their current grades with you. Discuss any areas where they may need additional support or improvement.

Portfolio: If your child is working on their portfolio take some time to review their progress ensuring that all components are being addressed and goals are being met.

Community Service: Remind your child to fulfill any remaining community service requirements for this quarter. Encourage them to reflect on their experiences and how they have contributed to their community.

Your involvement and support are invaluable in helping your child succeed academically and personally. Thank you for your continued partnership in your child's education. Should you have any questions or concerns, please don't hesitate to reach out to me or the appropriate faculty member.

Best regards,

Zabrina Ames

Family and Community Engagement Coordinator

What's Happening @ TMA

You are invited to the 2024 Shining Star Showcase, a fundraising event supporting Thurgood Marshall Academy. During this evening of food, drinks, and entertainment, you will have the opportunity to celebrate and support our students as they showcase their exceptional talents and achievements. Your support will help ensure that our school can continue to provide a top-notch education and the resources necessary for our students to succeed in college and actively engage in our democratic society.
