Congratulations, and Exciting Summer Opportunities Await!

Dear Warrior Families,

As we end another remarkable school year, I would like to congratulate our graduating seniors. Your hard work, dedication, and perseverance have brought you to this significant milestone. We are incredibly proud of all you have achieved and are excited to see the bright futures ahead for each of you.

While we celebrate our graduates, we eagerly look forward to welcoming many students to our summer programs. These programs are designed to provide enriching experiences, foster creativity, and offer opportunities for academic growth. Whether continuing your studies, exploring new interests, or participating in our recreational activities, we are excited to have you with us.

Many of our students are participating in programming at TMA this summer. Please remind students to check their email for the next steps regarding summer school, Junior Boot Camp, programs, and club meetings this summer. We have a jam-packed schedule to keep students enriched over the summer. **It is particularly important for students who need to earn summer credits to watch emails as we complete grades and communicate with families next week.**

Thank you to all students, parents, and staff for your unwavering support throughout the year. Your commitment to excellence and contributions to our school community has made this year successful. We wish everyone a safe and enjoyable summer and look forward to seeing you soon.

Warm regards,

Raymond A. Weeden, Jr.
