

Public Charter High School

Warrior Weekly

February 21, 2025

Warrior Families,

As we close out the third quarter week, we want to emphasize the importance of consistent school attendance. Daily participation is essential for students to stay engaged, keep up with their coursework, and build strong learning habits. Missing even a single day can make it challenging for students to catch up, and we want to ensure they have every opportunity to succeed. We appreciate your support in encouraging your students to attend school every day and arrive on time.

We offer after-school student services to support further student learning, including tutoring, homework help, and enrichment activities. These resources provide extra guidance, reinforce classroom instruction, and help students feel more confident in their studies. If your student needs additional academic support, we encourage them to take advantage of these opportunities. Please reach out if you have any questions or want more information about our after-school programs.

Best,
Raymond Weeden

Join the My Afterschool DC Parent Advisory Group

My Afterschool DC (MADC) is a new initiative stemming from Mayor Bowser's goal of Afterschool for All. The vision for MADC is for all children, youth, and families across the District of Columbia to have knowledge of and access to an increased number of high-quality OST programs through the MADC portal. The Parent Advisory Group will consist of DC parents who will serve as “internal testers” for the MADC portal.

Parents and caregivers will be debriefed on build-out updates, including design, access site navigability, and functionality. The group will also support the initiative's amplification through parent community engagement in their schools and neighborhoods.

The Parent Advisory Group will meet bi-weekly on Wednesdays from 12:15-1:00p.m. Sign up [here!](#) For questions, please contact Tabitha Burnett at tabbithaburnett1@dc.gov or call 202-285-7640.
